

Acknowledgement

I place on record my sincere thanks and gratitude to my supervisor Dr. Anil Bhumali, Head, Department of Economics, North Bengal University, for his invaluable guidance, motivation and for his keen interest evinced in the subject matter of the study by encouraging me in every aspect of the study which boosted my morale to complete the study in time. Without his friendly consultation, valuable support, constructive criticisms and cordial assistance, this study could not have been come to light. I am so grateful to him for his scholarly guidance.

I profusely thank to all honourable teachers of Economics Department, North Bengal University, India for providing me the opportunity to work. I am grateful to them.

I remember with thanks to my well-wisher Dr. I. Sarker, Reader, Department of History, University of North Bengal for his valuable support for my research purpose. I am grateful to him.

My thanks also due to all staff and employees of Economics Department, North Bengal University, India for their cordial assistance for the concerned work.

I am grateful to Dr. A.C. Saha, Professor, Department of Accounting, Rajshahi University, for his inspiration and technical suggestion for completing the study. I sincerely thank to Professor Md. Gholam Kibria who inspired me first to last without his suggestion as elder brother I could never come in research work. I am grateful to him for his selfless help. I also remember with thanks Dr. Mahamuda Khatun, Associate Professor of History, Rajshahi University for her learned suggestions.

I would like to thank to Mr. Manzur Kadir, Assistant Professor of Islamic History, Rajshahi Government College, Rajshahi, for his cordial inspiration and association throughout the whole who accompany me first to last of my research period. I owe to my respectable ex-colleague Prof. Dr. R.J. Samsul Alam, who helped me sanctioning me the study leave. I am also grateful to him. I am also thankful to my colleague Mr. S.M. Robiul Karim, Dr. Mostafizer Rahman, Professor Md. Golam Rahman and Dr.

Mir Mahfuzul Haque of Rajshahi College, Rajshahi. My thanks are also due to my all colleagues of Management Department of Rajshahi College for their valuable suggestions.

I am also thankful to authorities of concerned Banks like Islam Bank Bangladesh, Prime Bank, National Bank, Mercantile Bank and other banks for their kind help for collecting data and necessary information.

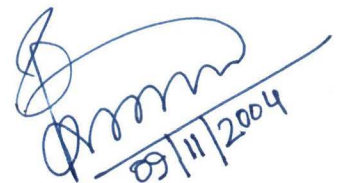

I also would like to thank to the authorities of National Library, Kolkata, Central Library of North Bengal University, Economics Department Seminar Library, N.B.U. My thanks are to the authorities of Rajshahi University Library, IBS Library, Rajshahi University, Varendra Research Museum Library, Rajshahi Public Library, Rajshahi College Library, Rajshahi College Management Department Seminar Library, BIBM Library, Dhaka, IBB Library, Dhaka, Dhaka University Central Library, Bangladesh bank Library Dhaka, Central Public Library, Dhaka for their cordial cooperation and necessary help.

I also remember with thanks, Mrs. Anita Bhuiamali, for her warm hospitality. Thanks are also to Master Arumoy Bhuiamali.

I must place on record the inspiration and blessings of my parents Md. Khorshed Ali Biswas and Mrs. Sufia Khatun who have ever showed their keen interest to see this work in the present form. I am grateful to my father-in-law Mr. Md. Abdur Razzaque, whose cooperation made possible to complete the research work.

I thank with emotion to my life-partner Mrs. Shahana Banu Rina, who inspired me and her sincere cooperation played moral support in this regard. I also expression emotion to my daughter Cadet Proma Alam and son Master Showmik Alam for their sacrifice of quality personal time and encouragement for completing the study.

I also thank Md. Kamruzzaman Sarker and Ratan Sharma for their sincere and efficient computer typing assistance.

(Md. Sha Alam)
