

A C K N O W L E D G E M E N T

The author wishes to record her indebtedness to Dr. Bikas Chandra Pal, M.Sc., Sc.D (Johns Hopkins), Reader, Centre for Life Sciences, North Bengal University, for his guidance and interest throughout the work.

The author expresses her thanks to Professor K.B. Dutta, present Director, Centre for Life Sciences and Professor T. Sharma, former Director of the Centre for extending all laboratory facilities.

The author gratefully appreciates the help and encouragement given by her colleagues, Mr. A.Nandi, A. Bhattacharya, D. Sinha, D. Guin and U. Gupta.

I am thankful to Dr. N.K.Thakur, Research Officer, CIFRI, Patna; Dr. A.K.Chakraborty and Dr. P.K.Basu, Reader, Centre for Life Sciences for their valuable suggestions; Mr. Chitta Ranjan Nayak and Mr. Ranjit Samanta, Research Service Centre of the University for statistical assistance.

I want to specially thank my husband Dr. Abhijit Roy, Lecturer, Department of Chemistry, Siliguri College for his keen interest and cordial help throughout the study.

I am also offering my thanks to Mr. Uday Maitra for loaning camera; Mr. Manoj Chakraborty for his sincere typing the thesis; Mr. Bhupesh Bagchi for drawing^{figures} and Mr. Arun

Mazumdar, Proprietor of Ajanta Press, Siliguri for Printing.

Thanks are also due to Mr. Atul Roy, Mr. Sher Bahadur Sonar, Laboratory Assistants, Centre for Life Sciences for their help; Mr. Badal Das for supplying fresh specimens; and Gram Pradhan of Matigara for allowing me to work in his pond.

Financial support from the University Grants Commission, Grant No. F.23-892/78(SR-II) to Dr. B.C.Pal, in the form of research assistantship is gratefully acknowledged.

Sheela Roy.
