

## A C K N O W L E D G E M E N T S

To begin with, I must pay my deepest and heartiest gratitude to my teacher guide Prof. Dr.P.K.Basu, Head, Department of Botany, Centre for Life Sciences, University of North Bengal, for his out and out care and encouraging guidance during the present investigation. At the same time, my sincere gratitude also goes to Prof. Dr.S.K.Chatterjee, Director, Directorate of Cinchona and Other Medicinal Plants, Govt. of West Bengal, Mungpoo, Darjeeling.

I feel greatly indebted to Prof. Dr.A.C.Chakraborty, Director, Centre for Life Sciences and Prof. Dr.K.B.Dutta, and all other teachers of the Department of Botany, Centre for Life Sciences, University of North Bengal for their kind co-operation from time to time. I also remember gratefully the names of Prof. Dr. M.A.Choudhuri and Dr. D.P.Kushari of Department of Botany, University of Burdwan for their valuable suggestions.

Acknowledgements are due to Dr. R.P.Nandi, Dr. P.Sarma, Dr. B.Lahiri and Mr. B.Maji of the Directorate of Cinchona and Other Medicinal Plants, Govt.of West Bengal, for their help.

I am very much thankful to Mr.C.R.Nayak, System Manager and Prof. B.Maji, Convenor of Computer Centre, University of North Bengal in connection with the statistical analysis of data.

I take this opportunity to thank Dr. R.K.Kar Lecturer

in Botany, Darjeeling Govt.College and Mr.T.Banerjee, Plant Quarantine Officer, Govt. of India for their kind help in preparing manuscript.

Cordial thanks are also due to my collaborators Mr. S.Modak, Mr. A.Hati, Mrs. N.Banerjee, Miss. I.Gupta for their co-operation.

I acknowledge with thanks the financial assistance from C.S.I.R., New Delhi in the present investigation. Thanks also due to Shipen Burmna and Krishna Tamang for laboratory assistance during my research work.

Acknowledgements are also due to Principal and my colleagues of the Department of Botany, Siliguri College.

Very passionately I remember Mrs. K.Mandal for her incessant inspiration all along.

Last but not least, I owe a great deal to Mr. P. Chanda and Mr. N. Sarkar of **The Little Master** who computerised the Thesis with much care and painstaking efforts.
