Dated -15.7-83.

This is to certify that Mr. Manoj Kumar Laha, M.Sc. worked under my supervision since April, 1978 for his dissertation on the topic "A study of Medicinal plants yielding steroidal compounds" for the Degree of Doctor of Philosophy (Science) of the University of North Bengal.

He is conversant with the technique and literature cited in the dissertation and carried out the work thoroughly. It seems that the thesis is fit for submission for Ph.D. and he is worthy for award of the degree.
