

## LIST OF TABLES

Table 1.1 Methods for Valuing Forests	10
Table: 2.1. Classification of total economic values for forest ecosystems	38
Table 2.2 Design Principles Illustrated by Long-enduring CPR Institutions	72
Table 3.1 Agriculture and Income Growth Trends during 1950-51 to 2000-01	100
Table 3.2 Recorded Forest Area between 1951 and 2001 (in million ha.)	101
Table 3.3 Changes in Dense Forest Cover in India during 1972 to 2003 (in million ha)	102
Table 3.4 Land use classification requirement as per NFP 1952 (in million ha.)	105
Table 3.5 Forest Management Practices since 1970s	108
Table 4.1 India's Forests and the Second World War	122
Table 4.2 Railway Expansion in India	124
Table 5.1 Change in land holding in Indian Himalaya (1996-97 to 2001-02)	147
Table 5.2 Rural and Urban Population in the three regions of the Himalaya	151
Table 5.3 Domestic Energy Use in the Himalaya & Contiguous Regions	152
Table 5.4 (a) Area under Forests by Legal Status in Indian Himalaya. (in sq. km.)	153
Table 5.4 (b) Percentage of area under Forests by Legal Status in Indian Himalaya.	154
Table 5.5 Actual Forest cover in the Himalaya, 2007	155
Table 5.6 Area under forests in Indian Himalayan Region	159
Table 5.7 Joint Forest Management status in Himalayan States	160
Table 5.8 Forest cover trend in the Himalaya	160
Table 5.9 Ratio of open forest to dense forest	162
Table 5.10 Change in land holding in Darjeeling during 1996-97 to 2001-02	162
Table 5.11 Timber and Firewood production in West Bengal	165
Table 6.1 Land use Classification in Darjeeling district (in sq. km.)	177
Table 6.2 Livestock & Poultry for Darjeeling	179
Table 6.3 Forest Category in Darjeeling district 1901-64 (in sq. km.)	180
Table 6.4 Forests cover quality in Darjeeling district (in sq. km.)	182
Table 6.5 Changing Natural Forest Cover in the Darjeeling Hills	182
Table 6.6 Intercensal Change of Population in Darjeeling district	185
Table 6.7 Growth rate of population during twentieth century	185
Table 7.1 Population in Jalpaiguri district since 1901	206
Table 7.2 Rate of growth of population per annum in Jalpaiguri (1872-2001)	206a
Table 7.3 Change in rural population density in Jalpaiguri (1901-2001)	210
Table 7.4 Land use Classification in Jalpaiguri district (in sq. km.)	210
Table 7.5 Change in agriculture holding size in Jalpaiguri 1996-97 to 2001-02	211
Table 7.6 Area under tea in Jalpaiguri district	213
Table 7.7 Sal and other timber output in Darjeeling and Jalpaiguri Forest Division	213
Table 7.8 Forest Classification in Jalpaiguri district: 1901-1961 (in sq. km.)	214
Table 7.9 Classification of forest area in Jalpaiguri district according to density (sq. km.)	215
Table: 7.10 (a) Information about Forest Villages surveyed in Darjeeling hills	227

Table: 7.10 (b) Information about Forest Villages surveyed in Jalpaiguri hills	228
Table 7.11 Regression Results	231
Table 7.12 Collinearity Diagnostics (a)	232
