

## AKNOWLEDGEMENT

At the completion of this work, I acknowledge my most sincere debts of gratitude to my Supervisor Dr. Saswati Biswas, Reader, Department of Sociology, North Bengal University whose illuminating guidance, kind supervision of the study and pains taking editing of several drafts of the manuscript, has enabled me in presentation of this thesis. I would also like to thank the faculty and staff of the department for their inputs while I worked on my thesis.

I am also highly indebted to the staff of Primary Health Centre, Matigara, Sub-Centre, Katkul, Block Primary Health Centre/Rural Hospital, Naxalbari and Block Development Officer, Matigara (Prabhat Kumar Mondol) for their necessary help.

I also wish to express my thanks to Pradhan, Pranchayat member and villagers of the studied villages for the cooperation and support they rendered to me in the hour of need. I must also thank the staff members of library, North Bengal University and to all my friends who remained unnamed for their help at different stages of my work. My humble thanks also goes to my parents for their support and encouragement to complete my thesis.
