I shall be failing in justice if I do not mention the immense help I obtained from all sections of employees of the Central Library of North Bengal University, Departmental Library of Calcutta University and my School Library.

It will be unfair if I do not mention help received from Sri Subhendu Das Mahanta & Sri Kausik Bhattacharjee of Spaceway Computer, Shivmandir who were untiring in their efforts to complete typing jobs for my thesis work.

I take the opportunity to express my indebtedness to my beloved parents and to my wife for constant encouragement.
