iii *Gangotri Chakraborty*

ACKNOWLEDGMENT

This thesis of mine is my intellectual child whom I nurtured beyond a period of 9 months. My work is not only a reflection of few countable years rather years of learning from Graduation, Post-Graduation to research in the Department of Law, University of North Bengal. During this tenure I have inculcated and acquired knowledge which shaped not only my thought process but also transformed me as a successful academician.

This present thesis not only represents my hard work but also the hard work of my supervisor Prof. (Dr.) Gangotri Chakraborty whose constant guidance, support, and supervision is reflected in my work. This work would have never been possible without her critical assessment, approval, and encouragement. I am indebted to her for the profound academic guidance, love, and support during my learning process in the Law Department.

I would also convey my gratitude and respect to Prof. (Dr.) Ratin Bandyopadhyay and Dr. Sujit Kumar Biswas Associate Professor of Department of Law, University of Law for their continued support and encouragement. I also acknowledge the constructive suggestions of my teachers and everyone including the library Assistant Sri Amal Dhar Sir at the Department of Law whose assistance during my research work is incomparable. I deeply appreciate the support given to me by Sri Santanu Chanda, Librarian, law library, NBU.

Fortunately, I also have the privilege of having a lovely and supportive family who requires a special mention and holds a special place in my life. I would like to convey my deepest gratitude to my mother Mrs. Ruby Bandyopadhyay, my father Mr. Sunil Kumar Bandyopadhyay, my mother-in-law Mrs. Sandhya Ghosh, my elder sister Sharmistha Bandyopadhyay, my sisters-in-law Jhilik Ghosh and Jayeata Ghosh for providing me strength, encouragements, and happy distractions.

I also extend my love and regards to the unwavering support given by my husband Mr. Jeet Ghosh whose practical advices, valuable inputs and constant motivation has made this work possible in paper.

I sincerely acknowledge and shall ever remain obliged to all the above-named persons throughout my life.
