

ACKNOWLEDGEMENT

This thesis is the upshot of a long laborious passage in which I have been encouraged and maintained by many peoples who actually make my dream possible. It is really pleasure moment for me to express my full gratitude for them.

First of all, I would like to express my sincere gratitude to my supervisor Prof. Amiya Kumar Panda for introducing me to the fascinating field of “Biophysical Chemistry” and allowing me to join under his research group. His constant, invaluable guidance and motivation throughout my entire research work make my dream complete at the end.

I offer my sincere gratitude to the authority of University of North Bengal for providing me the facilities and accessibilities related to the research work.

I wish to express my warm and sincere thanks to Prof. Boris A. Noskov, and his group, Department of Colloid Chemistry, St. Petersburg State University, St. Petersburg, Russia, for their assistance and support during my research work.

I offer my special thanks to Dr. Souvik Maiti, Proteomics and Structural Biology Unit, CSIR-Institute of Genomics and Integrative Biology, Mall Road, Delhi 110 007, India for his valuable contribution in my scientific work.

My special thanks to my past and present fellow colleagues Dr. Kausik Manna, Dr. Sujoy Paul, Dr. (Mrs.) Moumita Chakraborty, Banitadi, Sudarshana, Pritam, Prasant, Gourab, Priyam, Tanushree, Manish, Suraj, Amrit, Ravi, Anup, Manas Barai, Atanu, Manas Kumar Mandal, Sujit, Habiba and Emili for their valuable assistance and cooperation during my research work.

I convey my special thanks to Prosanjit, Biraj, Raja and Gulmi for their constant support and help.

I would like to express my thanks to CSIR, New Delhi and UGC, New Delhi for awarding me Junior Research Fellowship, University of North Bengal and CSIR, New Delhi for providing the infrastructural facilities.

I would like to express my special thanks to Prof. S. K. Saha, Prof. M. N. Roy and Prof. A. Misra for their constant support during my research work.

I also express my deep sense of gratitude to my father Sri Upendra Nath Roy and my mother Late Smt. Ramshari Roy and Smt. Rajobala Roy for their continuous support and prayers. They always supported me for my educational decision.

I express my full gratitude to Prof. P. Ghosh Head and all respected teachers, office staffs and research scholars of Department of Chemistry, University of North Bengal.
