

Acknowledgement

It is a great pleasure to express my sincere gratitude and indebtedness to Dr. Sanjib Kumar Datta, Senior Lecturer, Department of Mathematics, University of North Bengal under whose supervision the entire thesis has been carried out. I owe a lot to him for offering me valuable suggestions for corrections and improvement of the thesis and above all for sufficiently sharing his valuable time with me from his busy schedule .

I also wish to thank all the faculty members of the Department of Mathematics, University of North Bengal for their mental support . Also I am thankful to the infrastructural support of the Department of Mathematics, University of North Bengal to commence my research work.

I am also grateful to my fellow research scholar Dr. Tanmay Biswas for typing the entire thesis and for offering me valuable suggestions towards the improvement of the thesis. Further I am thankful to my fellow research scholars Mr. Somnath Mandal, Mr. Samten Tamang, Mr. Arup Ratan Das, Mr. Sanjib Mandal, Dr. Arindam Jha and Dr. Sourav Kar for their co-operation in different ways.

I must also thank to the authors of various papers and books which have been consulted during the preparation of the thesis. I will remain ever grateful to those including my family members who helped me in giving my research work a good finish. The author is also responsible for any possible errors and shortcomings, whatever it may be in the thesis despite the best attempt to make it immaculate .
