|-----------------------|--|------|
| INTRODUCTION | | 1 |
| PLAN OF RESEARCH WORK | | 9 |
| CHAPTER I | Isolation of the antithiamine factor from <i>Phaseolus radiatus</i> | 10 |
| CHAPTER II | Characterization of the antithiamine factor isolated from <i>Phaseolus radiatus</i> | 14 |
| CHAPTER III | Nutritional studies of the antithiamine factor isolated from <i>Phaseolus radiatus</i> | 18 |
| CHAPTER IV | Enzymological studies of the antithiamine factor isolated from <i>Phaseolus radiatus</i> | 24 |
| CHAPTER V | Microbiological studies of the antithiamine factor isolated from <i>Phaseolus radiatus</i> | 31 |
| DISCUSSION | | 37 |
| SUMMARY | | 41 |
| REFERENCES | | 43 |
