## CERTIFICATE

This is to certify that Shraddha has pursued research work for more than two years and fulfilled the requirement of the Ordinances relating to the Doctor of Philosophy of the University of North Bengal. The topic of her research is: "*Protection of the Rights of Internally Displaced Persons : A Socio-Legal Study under the Indian Legal Framework with Special Reference to the Situation in Sikkim*". She has completed her work and the thesis is ready for submission. To the best of my knowledge and belief, the thesis contains the original work done by the candidate and it has not been submitted by her or any other candidate to this or any other University for any degree previously. In habit and character, the candidate is a fit and proper person for the Ph.D. degree.

I recommended submission of her thesis.
