Investigations presented in this thesis were carried out by the author at the Centre for Life Sciences, University of North Bengal, Raja Ramohanpur, Darjeeling.

The author wishes to extend deep sense of gratitude to Dr. Bikas Chandra Pal, Reader, Centre for Life Sciences, University of North Bengal for his guidance and continued interest during the research which have been of inestimable value.

The author is grateful to Dr. J.C. Menaut of Ecole Normale Supérieure, Laboratoire de Zoologie, Paris and Professor D.N.Sen of University of Jodhpur, India for their valuable suggestion which were of immense help in various ways for improvement of this work.

The author is grateful to Professor K.B.Datta, Dr. P.K.Basu and Dr. A.K. Chakravarty of Centre for Life Sciences, North Bengal University, for encouragements.

The author is also grateful to Dr. D.P. Kushari, Reader, Department of Botany, University of Burdwan, who introduced the author to ecology during the course of studies for the degree of Master of Science at Burdwan University.

(II)

The author wishes to express his sincere thanks to Dr. D. Pal, BSI, Shibpur for the identification of plants; Mr. P. Chatterjee and Mr. S. Das, Department of Chemistry, N.B.U. for analysis of soil samples; Meteorological Department, Darjeeling district for the meteorological data; Mr. C. Nayek and Mr. R. Samanta for statistical computation and Mr. A. Roy, Laboratory Attendant, Ecology, Behaviour and Wildlife Unit for his help during laboratory and field works.

The author wishes to express his thanks to his fellow research workers Mrs. S. Roy, Mr. D. Sinha, Mr. A. Bhattacharyya, Mr. D. Guin, Mr. A. Mallick, Mr. M. Pramanic, Mr. A. Lahiri and other coworkers for helping in various ways.

The author also wishes to express his thanks to Miss R. Barman for drawing the figures and to Mr. M. Chakraborty for typing the manuscript carefully.

The author is grateful to the authorities of the University of North Bengal for laboratories and other facilities. Financial support from UGC to Dr. B.C. Pal is gratefully acknowledged.

The author deems it a proud privilege to express his deep sense of gratitude and affection to his mother and the
