

ACKNOWLEDGEMENTS

I am greatly indebted to Dr. Bikas Chandra Pal, Professor, Department of Zoology for his constant guidance and encouragement.

I am also grateful to Dr. D. C. Deb, Head, Department of zoology, University of North Bengal and other teachers of the Department for providing facilities and encouragement.

I am thankful to the DFO, Malda (West Dinajpur) Forest Division; Mr. M. L. Dey, Beat Officer, Raiganj Wildlife Sanctuary and other Forest Department Personnel who extended cordial help to me during the course of the study period.

I wish to express my thanks to Zoological Survey of India, Calcutta for identification of some molluscan specimens; Miss. M. Datta, Agricultural Chemist, Soil Testing Laboratory, Raiganj for analysis of soil samples; and to State Seed Farm, Raiganj for the meteorological data.

Grateful appreciation is expressed to my lab colleagues and other friends for their co-operation and help in many ways. Lastly, grateful acknowledgement is made to UGC, New Delhi for financial assistance, without which this work would not have been possible.
