

Acknowledgements

I wish to express my heartiest gratitude and indebtedness to my respected supervisors Prof. Joydeb Pal, Department of Zoology, University of North Bengal and Dr. Tarun Kanti Ghosh, Deputy Director, National Environmental Engineering Research Institute (NEERI), Nagpur, for providing valuable guidance, support, suggestions, encouragements and facilities during the whole period of the present study.

I am grateful to the Director, NEERI for providing the fellowship and necessary facilities for the smooth completion of the present research project.

I would like to express my grateful thanks to Vice Chancellor, University of North Bengal, permitting me to carry out the research work at the Department of Zoology, University of North Bengal.

It is my pleasure to express my sincere thanks to the Head, Department of Zoology, and University of North Bengal for providing me all the necessary facilities to carry out the research work.

I would like to express my profound thanks to Prof. S. Barat, Prof. A. Mukherjee, Prof. D.C. Deb, Prof. A.K. Chakraborty, Prof. T.K. Choudhury

and Dr. M. Bahadur for their valuable suggestions and encouragements during the course of study.

I am thankful to Mr. A.K. Biswas, Senior Scientist, NEERI, Kolkata Zonal Laboratory for his support and help during sampling at Mirik.

I am deeply indebted to my research colleagues of NEERI Dr. Santosh Zargar and Dr. Atul Kulkarni for their unstinted support and cooperation and encouragement during the study.

I am very much thankful to Mr. Deepak Kumar Sunar, Manager, Tourism Department, Mirik for providing necessary boating facilities and necessary information during the sampling at Mirik Lake.

I would like to express my sincere thank to Mr. B. K. Mohara (boatman) for helping during collection of water samples at Mirik Lake and Mr. Subhas Singha for assisting in the laboratory work at the University of North Bengal .

A note of thanks to my research colleagues Sumanta Bagchi, Arindam Das, Pritwiraj Jha, Hadida Yasmin, Tamal Majumdar, Sikta Banerjee, Bishu

Singh, Mayukh Sarkar and Damayantee De of University of North Bengal University for their cooperative support at all stages of the work.

Thanks are due to all the staff members of Department of Zoology, University of North Bengal and I extend my sincere thanks to the staff members of NEERI for their kind cooperation.

I am thankful to my elder brother Mr. Tamal Mondal and Younger brother Mr. Sandip Mondal for their support and encouragement during the course of study.

I am indebted to my mother Mrs. Kumudini Mondal and father Mr. Bhupendra Narayan Mondal who have supported and encouraged me in every steps of my work. Their contribution cannot be expressed in words, and because of their inspiration I could rise up to this level and complete the work successfully.

I also like to thank to those well wishers who helped me knowingly or unknowingly during the period of the present study.

Debashri Mondal
(Debashri Mondal).
