

## ACKNOWLEDGEMENTS

*"Acknowledgement" is too small a word to express my deep sense of gratitude to a multitude of people who have made this thesis possible. As I sit down to write the acknowledgement, my mind is crowded with a lot of names that truly deserve to find a place in my "acknowledgement" page.*

*First and foremost I would like to express my heartfelt thanks and gratitude to my teacher and supervisor Dr. Ranadhir Chakraborty for his noble guidance, unending enthusiasm in my research work and extensive co-operation throughout the course of my endeavour.*

*I owe special thanks and gratitude to my teacher Prof. Usha Chakraborty, Head Department of Botany, University of North Bengal for allowing me to use the infrastructural facilities in the department for completion of my work.*

*I express my sincere thanks to my teachers Prof. B.N. Chakraborty, Dean-Faculty of Sciences, University of North Bengal, Prof. P.K. Sarkar, Prof. A.P. Das, Dr. Aniruddha Saha, Dr. Arnab Sen and all other teachers and non-teaching staffs of the Department of Botany and Department of Biotechnology, N.B.U. for their valuable advice and genuine assistance .*

*I record my special thanks and gratitude to late Prof. Pradosh. Roy of Bose Institute, Kolkata for his unconditional support and guidance till the fag end of his life. I express my heartfelt thanks and indebtedness to my teacher and mentor Dr. Dorjey Lama of St. Joseph's College, Darjeeling for his inspiration and critical reading of my manuscript. I also wish to acknowledge the help and support I received from the other faculty members and support staffs of the Department of Botany, St. Joseph's College, Darjeeling.*

*I am extremely grateful to my friends Mr. Laxman Sherpa, Mr. Rinchen Bhutia and my junior Mr. Arvind Kumar for accompanying me to different places for collection of my samples.*

*It would be unpardonable if I do not acknowledge the extensive help and support I received from my lab mates Dr. Shriparna Mukherjee, Dr. Bhasker Bhadra, Mrs. Suparna Bhowal, Mr. Arvind Kumar, Ms. Prashanti Singh, Ms. Sonam Bhutia, Mr. Papai Singh Roy and all other research scholars and support staffs of the Department of Biotechnology, University of North Bengal.*

*I also owe special thanks to many of my friends and juniors who have stood by me and supported me in all my activities making special mention of Dr. Merab Basnet, Mr. Kiran Pradhan, Mrs. Arati Pradhan, Dr. Upakar Rai, Mr. Ramesh Sharma, Dr. Chanchal Das, Mr. Surya Rai, and Mr. Jagannath Adhikari. I must also acknowledge my indebtedness to Dr. Inan*

*Bikash Bhandari for allowing me to use his personal laptop for final compilation of my work and providing me the much needed technical support.*

*As the saying goes 'Save the best for the last' I too have done just that and saved my most valued acknowledgement for the people who I believe truly deserve to be acknowledged.. Words are insufficient to express my feelings and my gratitude for my mother Mrs. Gyanmaya Gurung for bringing me up single handedly after my father's untimely death and making me what I am today. I owe all my success to her. My indebtedness to my elder brother Mr. Mahendra Gurung for shouldering the responsibility of looking after the family and my education after my father's demise sacrificing his personal career aspirations. My special thanks to my second brother Mr. Basant Gurung, my sister-in-law Late Mrs. Bindita Gurung and my eldest sister in law Mrs. Maya Gurung for their advice and invaluable suggestions. My deep sense of gratitude to my third brother Mr. Suman Gurung for using his professional skills to prepare the coloured drawings for my thesis. My thanks to my sister-in-law Mrs. Rituraj Gurung, my sister Mrs. Sujata Chettri, my brother-in-law Mr. D.K. Chettri and all my niece and nephews for their unconditional support and encouragement.*

*I feel extremely privileged to have a wonderful, highly caring and very supportive mother in-law Mrs. Jermina Basnet Pradhan to whom I offer my deepest thanks and gratitude for her all round involvement in my thesis and support without which writing this thesis would not have been possible. My special thanks and gratitude to my late father-in-law Mr. Deb Narayan Pradhan for his inspiring words and indomitable spirit. My thanks to my sister-in-law Ms. Srijana Bhutia for taking very good care of the whole family at the final stages of my compilation.*

*Finally I wish to acknowledge the help and support I received from my wife Dr. Cyaria Gurung. My special thanks to her for maintaining a genuine interest in my research work, for lifting my spirits at the time of crisis and taking all the troubles to critically read the manuscript of my entire thesis.*

*I dedicate this thesis to the fond memory of my father Late Mr. Ramprasad Gurung- a highly ambitious man far ahead of his time who unfortunately could not live long enough to see his "Runche Kancha" submit his thesis to fulfill his most cherished dream.*
