

Acknowledgement

First and foremost I would like to express my enormous gratitude to my supervisor, Dr.(Mrs) Usha Chakraborty, Department of Botany, North Bengal University, for her guidance, kind and valuable suggestions and discussion throughout my work.

I would also like to acknowledge my great thanks to Prof. B.N. Chakraborty, Department of Botany, North Bengal University for his valuable guidance all the time.

I thankfully acknowledge the help of the Head of Department of Botany, North Bengal University and other teachers of this Department.

I also want to thank my friends Dr. A.Saha, Dr.G.Das, Dr. S. Das, Dr. P. Basu, Dr.R. Das, Dr B.Sarkar, Ms. S.Dutta, Ms D.Sarker, Mr D. Deb, Ms. J. Das for their encouragement. I also record my thanks to Mr.Anil Sarki, Fieldmean for his help at various times.

My special thanks also goes to Mr. Talukdar and Mr. S.K. Pathak of Tea Research Association, Bengdubi.

My sincere thanks goes to Mr. A.N. Banerjee, and Mr. D. Pradhan of Hansqua Tea Garden, R. D. Tea Limited, for their help and co-operation to my research work in the field.

My special thanks goes to Prof. Urmila Chakraborty, North Bengal University and Mr. Amitava Roy for their invaluable contribution and moral support.

I would like to thank Mr. K. Deb and Mr. B. Biswas for providing of computers and composing the matters of this thesis.

My special gratitude goes to my husband Subir Datta, who shared every moment of my research work, and my daughters Sujata and Subhadra who co-operated with me at all times.

Finally I would like to express my gratitude to my parents and parents in-law for their great moral support and blessings.

Shraboni Datta
