

# PREFACE

*Sincerely I feel honored to record my warm privilege to extend heartfelt gratitude, sincere thanks and regards to all well wishers whose inspiration and encouragement made me possible to step forward to complete my research work.*

*First and foremost I extend my regards and respectful gratitude to Professor Usha Chakraborty for her encouragement, expert guidance and constant support in every sphere of my research and whose valuable inputs and wise counselling have helped me to sail through this endeavour.*

*I take this opportunity to express my sincere thanks to Professor B.N. Chakraborty whose constant encouragement for hard work and perfection has inspired me in my research work.*

*The financial assistance received from Department of Science and technology, Govt. of India in the form of “DST Inspire Fellowship” is sincerely acknowledged.*

*I would like to offer my sincere gratitude to all HODs, Department of Botany, and the Programme Co-ordinators (DRS-III) of UGC-SAP, Department of Botany for providing all the necessary facilities including the instrumentations for carrying out my research work. I express my earnest gratefulness to the present Head Professor A. Sen, alongwith Professor A. Saha, Dr. S.C. Roy, Dr. P. Mandal, Dr. M. Choudhury who have always been very kind to me and whose valuable suggestions and guidance have helped me in many ways. I also extend my gratitude to all the non-teaching staffs of Department of Botany, NBU.*

*I am also thankful to Borlaug institute of South Asia, CYMMIT, PUSA, Bihar and Professor A. K. Chowdhury, Uttar Banga Krishi Vishwavidyalaya for providing me the seeds for my experiments.*

*I would like to express my sincere thanks to the EM Facility, AIIMS, New Delhi, for providing me the TEM and SEM facility for my experiment and I also thank Dr. T.C Nag, AIIMS, for his kind support and valuable inputs. I wish to acknowledge the valuable help from Advanced Instrumentation Research Facility, Jawaharlal Nehru University, New Delhi for carrying out GC-MS analysis. I would like to thank Credora Life Sciences Pvt. Ltd., Bengaluru for carrying out the Real time PCR studies.*

*I am fortunate to have very helpful and encouraging companions of my fellow workers from Plant Biochemistry and Immuno-Phytopathology Laboratory with whom my research days in this department has been the most memorable one. I humbly appreciate and acknowledge the enormous support and assistance imparted to me during my early days of research by Dr. Swarnendu Roy, Dr. Sukanta Majumdar, Dr. Arka Pratim Chakraborty, Dr. Nishika Jaishee, Mr. Sandip Dev Chowdhury, Mr. Jayanta Chowdhury, Dr. Pannalal Dey, Dr. Amrita Acharya, Dr. Somnath Roy, Mr. Shibu Barman, Ms. Priyanka Bhattacharjee, Mr. Pallab Kar,*

*Mr. Dipayan Das and other research scholars of the Department of Botany throughout this endeavour. I wish to thank field man Sambhu Banik for maintaining plants in good condition.*

*Last but not the least, I owe to my affectionate parents who not only brought me up but always inspired me to go ahead with confidence in the avenue of enlightenment. I am deeply indebted to my dearest brother Dr. Jaydip Sarkar who always stood by my side and supported me unconditionally. At the same time my sincere apologies to all whom I could not name here but from the depth of my heart I treasure your contributions in making me the person what I am today; a huge thank to all.*
