

## Preface

I would like to express my sincere gratitude to my supervisor Professor Manas Chakrabarty for his perennial support, guidance & encouragement throughout the writing of my thesis without whose constant guidance the thesis could not be completed.

I express my incessant gratitude to my parents Sri Anjan Guha, my father and Manjika Guha, my mother. My sincere indebtedness must be recorded for REENA, my wife, who has been a constant source of inspiration for the completion of the project. Finally, I record my love and affection to our little son Abhigyan who has always roamed around me during the completion of the work.

I also thank all of them who have directly and indirectly helped me in this work.
