

LIST OF TABLES

<u>Table No.</u>	<u>Topics</u>	<u>Page</u>
3.1	Borrowing of Cultivators from different agencies	55
3.2	Primary Agricultural Credit Societies.. ..	57
4.1	State Co-operative Banks	65
4.1 (A)	State Co-operative Banks	66
4.2	Central Co-operative Banks	67
4.3	Advances by Jalpaiguri Central Co-operative Bank	69
4.4	Cost of Cultivation per acre of land for which short-term crop loan is advanced	79
5.1	Distribution of short-term credit by Samabay Krishi Unnayan Samitis in the six villages under study in 1975-76 and 1976-77	86
5.2	Distribution of credit according to landholdings	87
5.3	Holdings mortgaged to SKUS for obtaining short-term loan	90
5.4	Classification of credit secured by land mortgage and otherwise	92
5.5	Distribution of short-term agricultural credit by SKUS according to castes and religions	95
5.6	Classification of loan recipients according to income groups	100
5.7	Break up of loan sanctioned (according to income groups)	106

<u>Table No.</u>	<u>Topics</u>	<u>Page</u>
6.1	Distribution of credit and their recoveries according to landholding groups116-117
8.1	Percentages of Agricultural loan amount among various landholding groups 133
8.2	Agricultural credit given by farmers' relatives and friends in the sample villages 134
8.3	Interest Rate Chart 138
8.4	Borrowing of farmers from different agencies in the sample villages 147
8.5	Extension of agricultural credit (Investment) by village mahajans in the sample villages during 1975-77 150
8.6	Distribution of agricultural credit by village mahajans according to landholding groups151-152
8.7	Pattern of credit extended by mahajans in the sample villages during the period under study 153
8.8	Pattern of credit extended by friends and relatives of the farm-families during the period under study 154
8.9	Agricultural credit by Commercial Banks in the sample villages in 1975-76 and 1976-77 155
8.10	Break up of Agricultural Credit of Commercial Banks according to Landholding Groups 156
8.11	Agricultural Credit by Land Development Banks according to Landholding Groups in the sample villages during the period under study157-158

<u>Table No.</u>	<u>Topics</u>	<u>Page</u>
9.1	Table showing average monthly expenditure of a farm-family for consumption goods and services in the villages during the period under study	162
9.2	Table showing percentage of expenditure for food on the total expenses	163
9.3	Distribution of average expenses for food per month per farm-family over different items of food consumed during the period under study	164-165
9.4	Table showing the percentages of amusement expenses of a farm-family in different villages during the period under study	170-171
9.5	Total annual consumption expenditure of the farm-families	174
9.6	The gap between expenditure and income of the farm-families	175
11.1	Investment in the cultivation of Principal Crops in V ₁	197
11.2	Investment in the cultivation of Principal Crops in V ₂	199
11.3	Investment in the cultivation of Principal Crops in V ₃	201
11.4	Investment in the cultivation of Principal Crops in V ₄	203
11.5	Investment in the cultivation of Principal Crops in V ₅	205
11.6	Investment in the cultivation of Principal Crops in V ₆	207
11.7	Gap between Investment and Self-financing of sample farmers	210
12.1	Annual Income and Expenditure Account on the milk given by a cow	219

<u>Table No.</u>	<u>Topics</u>		<u>Page</u>
12.2	Income from Shop-Keeping	221
12.3	Income and Expenditure on Paddy Cultivation in 1975-76	224
12.4	Income and Expenditure on Paddy Cultivation in 1976-77	225
12.5	Income and Expenditure on Wheat Cultivation in 1975-76	225
12.6	Income and Expenditure on Wheat Cultivation in 1976-77	226
12.7	Income and Expenditure on Jute Cultivation in 1975-76	226
12.8	Income and Expenditure on Jute Cultivation in 1976-77	227
12.9	Total Agricultural Income from the Principal Crops	227
12.10	Annual Incomes from Cows of Farmers	228
12.11	Annual Income of Agricultural Day-Labourers	228
12.12	Total Income of the Sample farm-families in 1975-76	229
12.13	Total Income of the Sample farm-families in 1976-77	229
13.1	Total Credit Requirements of farm-families	238
13.2	Financing of the Total Credit Requirements during 1975-76	239
13.3	Financing of the Total Credit Requirements during 1976-77	239

<u>Table No.</u>	<u>Topics</u>	<u>Page</u>
14.1	Co-efficient of correlation (R) and Regression co-efficient (B) showing relationship between co-operative (Production) credit and gross (value) Product for different size groups of member farmers 242
15.1	Percentage of responses of both members and non-members indicating the role of an ideal rural credit co-operative in Political activity 246
15.2	Percentage of responses obtained from both members and non-members as to the Political influence on these sample societies 247
15.3	Response pattern among members and non-members regarding the role of sample societies in inculcating the spirit of co-operation 250
