

Acknowledgments

I take this opportunity to offer my heartfelt gratitude to my supervisor Dr P.K. Sarkar, Reader and Head of the Department of Botany, University of North Bengal for constant guidance and encouragement throughout this work and also for providing me with necessary laboratory facilities.

I also extend my sincere gratitude to Prof. Samir Bhattacharya, Prof. Shelly Bhattacharya, Prof. S.C. Pal and Dr S.R. Biswas of Visva-Bharati, Santiniketan for providing guidance and laboratory facilities in bacteriocin purification.

I gratefully acknowledge the University Grants Commission, New Delhi for financially supporting the work.

I extend my thanks to all the faculty members of the Department of Botany, University North Bengal for extending their generous help, whenever needed.

I thankfully acknowledge the help I obtained from my labmates Dr B. Saha, Dr J.P. Tamang, Dr S.A. Hossian, Dr P.K. Pal, Dr J.K. Pal and Ms A. Das Gupta in carrying out various experiments and statistical analysis.

I extend my thanks to all my friends at Siliguri for their love and support. Specially, I wish to thank Ms Arpita Ray and Mr Subroto Saha for their love and care.

I am thankful, Mr Subhasis Kundu for typing the thesis.

Last, but not the least, I thank my parents for their constant inspiration, love and support. Their patience with me through this work is worth-mentioning
