

## List of Tables:

Table No.	Title of the Table	Page No.
3.1.1.	Development of Tea Gardens Before the Foundation of Railways in Darjeeling District	32
3.1.2.	Development of the Tea Industry in Jalpaiguri District (1876-1892)	33
3.1.3.	The Total Descriptions of Journey from Calcutta to the Foothill of Darjeeling	38
3.1.4.	Statistics of Rainfall in Coochbehar State for the Years 1872-75	40
3.1.5.	Old Bengal and North Western Railway (Katihar to Parbatipur)	42
3.1.6.	Foundation and Extension of Bengal Dooars Railway (Meter gauge-1.00 meter)	44
3.1.7.	Total Bengal Dooars Railway Extension (Meter gauge-1.00 meter)	45
3.1.8.	Foundation and Extension of Coochbehar State Railway	47
3.1.9.	Old Eastern Bengal Railway Section which Linked with CSR, ( <i>Jainti Branch Dominion Section</i> )	48
3.1.10.	Old Eastern Bengal Railway Section which Linked with CSR, <i>Main Branch</i>	49
3.1.11.	Old Eastern Bengal Railway Section which Linked with CSR, <i>Dhubri Branch</i>	49
3.1.12.	Darjeeling Himalayan Railway (Main Line)	50
3.1.13.	The Extensions of Kishangang and Tista Valley Railway Line of Darjeeling Himalayan Railway are as follows:	51
3.2.1.	Statement Showing the Length of Road Communication by the Local Authorities and PWD in North Bengal during the Year 1900-1901(Excluding the District Malda and Coochbehar State and the Roads within Municipal Limits Maintained by the Municipal Fund.)	61
3.2.2.	Condition of the Roadway Traffic in the Year 1931-32 (Length in Mile)	62
3.2.3.	Road Transport Cost in North Bengal by the Bullock Cart	65
3.2.4.	Transport Cost of the East Indian Railway for Paddy and Rice	66
3.2.5.	Comparative Study Between Roadway and Railway Transport Cost in Pies per Mounds per K.M.	67
3.2.6.	Comparative Study of the Transport Cost Between Railway and Roadway in	69

Pies per Mounds per Kilometer

3.2.7.	Maximum and Minimum River Transport Cost in North Bengal Pies Per Mound Per Kilometer	71
3.2.8.	Comparative Study of the Transport Cost Between Railway, Waterway and Roadway	72
3.2.9.	Comparative Transport Cost Calculated for the Selected Distance in the Year 1891	73
3.2.10.	Seasonal Fluctuation in the Navigability of the Rivers Serving North Bengal	75
3.3.1.	Comparative Study Between the Railway and River -borne Import Trade in North Bengal for the years, 1891-1900.	82
3.3.2.	Comparative Role of the Railway and River on the Import Trade in North Bengal (1891-1900)	84
3.3.3.	Comparative Role of the Railway and River on the Export Trade in North Bengal for the Years, 1891-1900	85
3.3.4.	Comparative Study Between the Railway and River -borne Export Trade in North Bengal from the Years, 1891-1900 (Graph)	87
3.3.5.	Comparative Study of the Import Trade in North Bengal by the Railway and River for the years, 1906-10.	89
3.3.6.	Comparative Study Between the Railways and River Import Trade from where Both the Systems were Available in North Bengal	90
3.3.7.	Comparative Role of the Railway and River on the Import Trade in North Bengal (1906-10)	92
3.3.8.	Comparative Study of the Export Trade in North Bengal by the Railway and River for the Years, 1906-10.	93
3.3.9.	Comparative Study between the Railways and River Export Trade from where Both the Systems were Available in North Bengal, (1906-10).	95
3.3.10.	Comparative Role of the Railway and River on the Export Trade in North Bengal, (1906-10).	96

3.3.11.	Comparative Study of the Total Import Trade in North Bengal by the Railway and River for the Years, 1912-21.	97
3.3.12.	Comparative Study of the Import Trade between North Bengal and Calcutta by the Railway and River (1912-21).	98
3.3.13.	Comparative Role of Railway and River on the Import Trade between North Bengal and Calcutta by the Railway and River (1912-21).(Graph)	99
3.3.14.	Comparative Study of the Import Trade between North Bengal and Assam by the Railway and River (1912-21).	100
3.3.15.	Comparative Role of the Railway and River on the Import Trade Between North Bengal and Assam (1912-21).	101
3.3.16.	Comparative Study of the Total Export Trade in North Bengal by the Railway and River for the Years, 1912-21.	102
3.3.17.	Comparative Study of the Export Trade between North Bengal and Calcutta by the Railway and River (1912-21).	103
3.3.18.	Comparative Role of the Railway and River on the Export Trade Between North Bengal and Calcutta (1912-21).	104
3.3.19.	Comparative Study of the Export Trade between North Bengal and Assam by the Railway and River (1912-21).	105
3.3.20.	Comparative Role of the Railway and River on the Export Trade Between North Bengal and Assam (1912-21).	106
3.3.21.	Export of the Principal Goods from Malda for the Year 1930-31	108
3.4.1	Total Export and Import Trade In North Bengal 1891-1921	116
3.4.2.	Comparative Study of the Total Import and Export Trade in North	118

## Bengal:1891-1921

3.4.3.	Imported by Rail & River in North Bengal :1891 to 1921	120
3.4.4.	Comparative Study of the Total Import by the Railway and River :1891-1921	121
3.4.5.	Exported by Rail & River in North Bengal:1891-1921	122
3.4.6.	Comparative Study of the Total Export by the Railway and River :1891-1921	123
3.4.7.	Role of the Railway to open the Market of North Bengal:1906-1921	124
3.4.8.	The Role of Railway for Widening the Market of North Bengal	126
3.4.9.	Role of the Railway to Expand the Market of the Rice of North Bengal	128
3.4.10.	Total <i>Rise in Husk</i> Imported and Exported in/from North Bengal: 1891-1921	130
3.4.11.	Total <i>Rise not in Husk</i> Imported and Exported in/from North Bengal: 1891-1921	131
3.4.12.	Total Imported and Exported of Rice in/from North Bengal:1891-1921	132
3.4.13.	Comparative Import Study of the Total Rice by the Railways and River :1891-1921	133
3.4.14.	Comparative Export Study of the Total Rice by the Railways and River :1891-1921	134
3.4.15.	Total Import and Export of Rice :1892-1921	135
3.4.16.	Retail Price of Common Rice in Rupees :1891-1921	135
3.4.17.	Comparative Export of Jute by Rail and River:1891-1921	138
3.4.18.	Comparative Export of Jute by Rail and River:1891-1921 (Graph)	139
3.4.19.	Comparative Export Study of the Tea by Rail and River:1891-1921	140
3.4.20.	Comparative Export Study of the Tea by Rail and River:1891-1921 (Graph)	141

3.4.21.	Expansion of Tea Industry in Darjeeling and Jalpaiguri District:1866-1925	142
3.4.22.	Expansion of Tea Industry in Area (in acre) in Darjeeling and Jalpaiguri District:1866-1931	143
3.4.23.	Development of Tea Production in Darjeeling and Jalpaiguri District	144
3.4.24.	Tobacco Exported from North Bengal By the Rail and River :1891-1921	145
3.4.25.	Tobacco Exported by the Rail and River :1891-1921 (Graph)	146
3.4.26.	Fruit and Vegetables Exported by the Rail and River from North Bengal: 1906-1921	147
3.4.27	Gram &Pulse Exported by Rail and River from North Bengal:1906-1921	148
3.4.28.	Linseed Exported by the Rail and River from North Bengal:1891-1921	149
3.4.29.	Ginger Exported by the Rail and River from North Bengal: 1906-1921	150
3.4.30.	Export Trend of the Selected Agriculture Products of North Bengal:1891-1921	151
3.4.31.	Cardamoms Exported by the Rail and River from North Bengal: 1912-1921	152
3.4.32.	Silk Raw Indian Exported by the Rail and River from North Bengal:1906-1921	153
3.4.33.	Turmeric Exported by the Rail and River from North Bengal:1891-98,1912-21	154
3.4.34.	Export Trend of the Turmeric, Raw Silk and Cardamoms: 1891-1921	156
3.5.1.	Name of the Registered Industries in North Bengal	167
3.5.2.	Gunny Bags & Cloth Exported From North Bengal:1891-1921	169

3.5.3	Jute & Tobacco Factories in Calcutta, 24 <sup>th</sup> Pargana, Howrah and Hooghly	171
3.5.4.	Name of the Railway Engineering and Workshop Factories	172
3.5.5.	Comparative Role of River and Railway to Import the Cotton Manufactured Twist &Yarn	175
3.5.6.	Cotton Manufactured Twist and Yarn(European):Comparative Import Study	176
3.5.7.	Cotton Manufactured Twist and Yarn(Indian):Comparative Import Study	177
3.5.8.	Total Cotton Twist and Yarn Imported By Rail and River.	178
3.5.9.	Comparative Study of the Total Imported Twist and Yarn	179
3.5.10.	Comparative Import Study of the Cotton Piece Goods in North Bengal	180
3.5.11.	Cotton Piece Goods (European) Imported by Rail and River in North Bengal	181
3.5.12.	Cotton Piece Good (Indian) Imported by Rail and River in North Bengal	182
3.5.13.	Comparative Study of the Total Imported Cotton Piece Good in North Bengal	183
3.5.14.	World Manufacturing Output 1750-1938	184
3.5.15.	Population of Gangetic Bihar Dependent on Different Occupations	184
3.5.16	Comparative Study of the Total Imported Cotton Piece Goods and Cotton Twist and Yarn	185
3.6.1.	Comparative Study of the Coefficient of Variation ( CV) of the Common Rice Between Bengal and North Bengal :1861-1921	199
3.6.2	Comparative Study of the CV of Rice Between Bengal and North Bengal :1861-1921 (Graph)	199A
3.6.3.	Percentage of the Price Gap Between North Bengal and Bengal :1861- 1921	201
3.6.4.	Percentage of the Price Gap Between the Average North Bengal and Bengal :1861- 1921 (Graph)	202A
3.6.5.	Comparative Role of Railway and River to Import Salt in North Bengal :1891- 1921	203
3.6.6.	Comparative Role of Railway and River to Import Salt :1891-1921 (Graph)	204

3.6.7.	Price of Salt and Revenue of the Company	205
3.6.8.	Comparative study of the Coefficient of Variation ( CV) of the Salt Between Bengal and North Bengal :1861-1921	206
3.6.9.	Comparative study of the Coefficient of Variation ( CV) of the Salt Between Bengal and North Bengal :1861-1921(Graph)	207A
3.6.10	The Price Gap Between Deltaic Bengal and North Bengal :1861-1921	208
3.6.11	The Price Gap Between the Average Price of Salt between North Bengal and Deltaic Bengal:1861-1921	209A
3.6.12.	Percentage of Price Gap Between the Average Price of Salt between North Bengal and Deltic Bengal :1861-1921	209B
3.6.13	Comparative CV of the retail Price of the Rice in Coochbehar State	210
3.6.14.	CV of the Retail Price of Rice of the Different Subdivisions of the Coochbehar State	211
3.6.15	Comparative CV of the Retail Price of the Salt in Coochbehar State	212
3.6.16.	CV of the Retail Price of the Salt between the Subdivision of the Coochbehar State	213
3.6.17	Comparative Study of the CV of Rice and Salt:1861-1921	214A
3.7.1.	Monthly Wages and Purchase Power of Able-bodied Agriculture Labourer: 1873-1896	218
3.7.2.	Average Wage in Ranjpur , Dinajpur and Bengal	219
3.7.3.	Comparative Wage Structure of the Agriculture Labour:1911& 1916	220
3.7.4.	Monthly Wages and Purchase Power of Able-bodied Agriculture Labourer: 1873-1896	222

3.7.5.	Comparative Purchase Power between Ranjpur , Dinajpur and Bengal	223
3.7.6.	Purchase Power of North Bengal (in the selected Districts): 1911-1925	224
3.7.7.	Comparative Purchase Power in the Selected Districts of North Bengal	225
3.7.8.	Growth Rate of the Purchase Power and Cost of Rice in Respect of the year 1911	226
3.7.9.	Percentage of the Comparative Growth of Population Density	227
3.7.10.	Migration in North Bengal (1891-1921)	228
3.7.11.	Variation in Density (persons per square mile) in the Selected Districts of North Bengal (1872-1951)	229
3.7.12.	Wages in Some Nearest Districts and Provinces of North Bengal	230
3.7.13.	Sale of Occupancy Holdings in Jalpaiguri: 1898-1905	232
3.7.14.	Growth Rate of Plantation Area in Jalpaiguri and Darjeeling district : 1866-1931	233
3.8.1	Import and Export of the Wooden Sleepers for the Construction of Railway 1891-1900	240
3.8.2.	Number of Sleepers supplied from the Buxa Forest Division, 1879-1882	243
3.8.3.	Timber, Unwrought Imported by the Rail and River in North Bengal Excluding the District Darjeeling and Coochbehar State for the Year's 1906-10	244
3.8.4.	Comparative Study of the Import and Export of the Timber (unwrought) by the Rail and River in North Bengal Excluding the District Darjeeling and Coochbehar State for the Year's 1906-10	245
3.8.5.	Comparative Study of the Export and impact of the Timber Unwrought: 1906-1911	246
3.8.6.	Comparative Study of the Export of the Timber (Unwrought) by the Railway and River in North Bengal for the Year's Between 1906-10, Excluding Darjeeling and Coochbehar State.	247

3.8.7.	Import and Export of the Timber Unwrought by the Railway and River (1912-21) in the Northern Bengal	248
3.8.8.	Export and Import of the Wood Unwrought Excluding Railway Sleeper 1912-21	249
3.8.9.	Comparative Study of the Timber , Imported by Rail and River in the Northern Bengal	250
3.8.10.	Financial Result of the Jalpaiguri and Buxa Forest Division 1898-1908	252
3.8.11.	Gradual Growth of the Profit from the Jalpaiguri & Buxa Division 1898-1907	252
3.8.12.	Comparative Study of the Timber, Exported by Rail and River in the Northern Bengal	253
3.8.13.	Timber, Imported by Rail and River in North Bengal:1912-1921	254
3.8.14.	Timber, Exported by Rail and River in North Bengal:1912-1921	255
3.9.1.	Variation in Density (persons per square mile) of the Administrative Divisions of Malda District (1872-1951)	265
3.9.2.	Variation in Density (persons per square mile) of the Administrative Divisions of West Dinajpur (1872-1951)	267
3.9.3.	Variation in Density (persons per square mile) of the Administrative Divisions of Jalpaiguri District (1872-1951)	268
3.9.4.	Variation in Density (persons per square mile) of the Administrative Divisions of Darjeeling District (1872-1951)	270
3.9.5.	Variation in Density (persons per square mile) of the Administrative Divisions of Coochbehar (1872-1951)	271
3.9.6.	Comparative CV of the Density in the Districts of North Bengal:1872-1951	273
3.9.7.	Demographic Trend in North Bengal: 1872-1951	274
3.10.1.	Development of Women Education at Coochbehar State	282
3.10.2.	Educational Status of the Rajbanshi's	282
