

List of tables and appendices

Table	Particulars	Page number
<i>Table 3.1</i>	Morphometric data of the Khecheopalri lake and its watershed	32
<i>Table 3.2</i>	Soil physico-chemical characteristics of undisturbed and disturbed site conditions at two depths (0-15 cm and 15-30 cm) of the Khecheopalri lake watershed	33
<i>Table 4.1</i>	A socio-economic profile of the Khecheopalri area	49
<i>Table 4.2</i>	Occupational structure of the people in Khecheopalri	50
<i>Table 4.3</i>	Bhumchu festival survey during March from Khecheopalri	50
<i>Table 4.4</i>	Production, removal and utilization pattern of woody biomass and the production and removal of herbaceous biomass from the Khecheopalri lake watershed forest	51
<i>Table 4.5</i>	Conservation activities initiated during the project in Khecheopalri	52
<i>Table 5.1</i>	Land use based stand characteristic for the hydro-ecological studies in the Khecheopalri lake watershed	77
<i>Table 5.2</i>	Comparison of land use/cover change detection of Khecheopalri lake watershed.	78
<i>Table 5.3</i>	Density, basal area, importance value index (IVI) and the regeneration status of tree species in Khecheopalri lake watershed	79
<i>Table 5.4</i>	Increment in woody biomass of tree species in Khecheopalri lake watershed	80
<i>Table 5.5</i>	Seasonal ground vegetation composition of the Khecheopalri lake watershed	81
<i>Table 5.6</i>	Species indices of ground vegetation of Khecheopalri lake watershed	83
<i>Table 5.7</i>	Standing state of biomass in different months and net primary productivity of ground phytomass of Khecheopalri lake	83

watershed

<i>Table 5.8</i>	Rainfall, runoff and eroded soil characteristics of different land-uses of the Khecheopalri lake watershed	84
<i>Table 5.9</i>	Nutrient concentration of parent and eroded soils under different land use in the Khecheopalri lake watershed	85
<i>Table 5.10</i>	Nutrient movement in the lake from the lake watershed	86
<i>Table 5.11</i>	Precipitation partitioning in three major land uses of the Khecheopalri lake watershed	87
<i>Table 5.12</i>	Faunal composition of Khecheopalri lake watershed	88
<i>Table 6.1</i>	Physical characteristics of Khecheopalri peatland	114
<i>Table 6.2</i>	Radiocarbon ages of Khecheopalri peatland	115
<i>Table 6.3</i>	Vegetation analysis of Khecheopalri peatland	116
<i>Table 6.4</i>	Seasonal variation of frequency, density, basal area and IVI of vegetation of the Khecheopalri peatland	117
<i>Table 6.5</i>	Species indices of the herbaceous vegetation of Khecheopalri peatland	119
<i>Table 6.6</i>	Herbaceous biomass in the Khecheopalri peatland	120
<i>Table 6.7</i>	Exogenous deposition of organic debris from the drainage area of the lake watershed to the peatland	121
<i>Table 6.8</i>	Nutrient concentration of peatland at two depths of four sites along the distance from lake periphery to forest edge. Values are means of 1997 and 1998	122
<i>Table 7.1</i>	Physico-chemical parameters of lake water of Khecheopalri lake for the year 1997	163
<i>Table 7.2</i>	Physico-chemical parameters of lake water of Khecheopalri lake for the year 1998	164
<i>Table 7.3</i>	Seasonal variation in physico-chemical characteristics of bog water in disturbed and undisturbed conditions in Khecheopalri peatland during 1998	165
<i>Table 7.4</i>	Seasonal distribution of plankton species at different sites in the Khecheopalri lake and bog	166

<i>Table 7.5</i>	Similarity index of phytoplankton and zooplankton among conditions (undisturbed and disturbed) during different seasons	169
<i>Table 7.6</i>	Seasonal plankton species indices in the lake and bog of Khecheopalri	170
<i>Table 7.7</i>	Plankton productivity of the Khecheopalri lake	171
<i>Table 7.8</i>	Faunal composition of the Khecheopalri lake	172
<i>Table 7.9</i>	Pearson's correlation coefficient for physico-chemical characteristics, plankton productivity and respiration of the Khecheopalri lake	173
<i>Appendix 1</i>	List of plants encountered by life forms in the Khecheopalri lake watershed	XII
<i>Appendix 2</i>	List of plants encountered by life forms in the Khecheopalri peatland	XVI
<i>Appendix 3</i>	Lists of aquatic biodiversity identified from the Khecheopalri lake and bog	XIX
