It gives me immense pleasure to certify that Sri Ankan Choudhury, M.Sc., NET (Joint CSIR-UGC National Eligibility Test), has carried out his research work under my supervision. His thesis entitled "Physico-Chemical Investigation of Solute-Solute, Solute-Solvent and Solvent-Solvent Interactions of Some Compounds in Non-Aqueous and Mixed Solvent Media" based on his original work and is being submitted for the award of Doctor of Philosophy (Science) degree in Chemistry in accordance with the rules and regulations of the University of North Bengal. He is physically fit and mentally alert to receive Ph.D. degree.
