

LIST OF TABLES

Tables	Sections	Page No.
Table 2.2.A:	Blockwise distribution of BPL people	42
Table 2.2.B:	Blockwise nature of backward villages	43
Table 2.2.C	Demographic status of backward villages in Jalpaiguri district	44
Table 2.3.A:	Blockwise distribution of the sample SHGs	48
Table 2.3.B:	Sample of Bank Branches	49
Table 4.1.A:	Yearwise formation of SHGs in Jalpaiguri district	66
Table 4.1.B	Yearwise distribution of growth rate of SHGs in Jalpaiguri and in India	67
Table 4.1.C	Blockwise SHGs formed since inception	70
Table 4.1.D	Blockwise percentage of total groups formation upto 31.03.2007	73
Table 4.1.E:	Blockwise distribution of total SHGs formed upto 31-3-2007, Areas, Female population, BPL families, No of blocks and number of GPs	75
Table 4.1.F:	Blockwise different factors of outreach of SHGs	77
Table 4.2. A:	Blockwise distribution of clusters in different years	80
Table 4.2.B:	Blockwise comparison between total SHGs and cluster member SHGs	81
Table 4.2 C:	Composition of clusters in Jalpaiguri district	82
Table 4.2.D:	Distribution of clusters on the basis of vintage of the member SHGs	83
Table 4.2.E:	Blockwise distribution of clusters	84
Table 4.3.A:	Yearwise release of funds from different sources	86
Table 4.3.B:	Yearwise different heads of expenses	88
Table 4.3.C:	A distribution of yearwise expenditure on the basis of total available funds	90
Table 4.3.D:	Yearwise distribution of amount revolving fund and total 1 st graded groups and total available funds	93
Table 4.3.E:	Yearwise distribution of amount of subsidy and total amount of available fund and number of 2 nd graded groups	96
Table 4.3.F:	Blockwise infrastructure development under SGSY	98
Table 4.3.G:	Yearwise distribution of amount of training expenditure, total groups, members trained and total amount of available funds	101
Table 5.2.A:	Percentage of SHGs on the basic of vintage of the groups	106
Table 5.2.B:	Distribution of SHGs by size of membership	106
Table 5.2.C:	Distribution of SHGs on the basis of percentage of BPL categories	107
Table 5.2.D:	Distribution of members on the basis of age group	108

Table 5.2.E:	Distribution beneficiaries on the basis of educational qualification	109
Table 5.2.F:	Distribution of SHGs on the basis of marital status	109
Table 5.2.G:	Distribution of SHGs on the basis of number of children per member	110
Table 5.2.H:	Distribution of SHGs members on the basis of castes	110
Table 5.2.I:	Distribution on the basis of proportion of caste of the members	111
Table 5.2.J:	Distribution of SHGs on the basis of criteria for selection of members before group formation	111
Table 5.2.K:	Distribution of members of SHGs on the basis of occupation of their husbands	113
Table 5.3.A:	Distribution of SHGs on the basis of amount of group corpus	114
Table 5.3.B:	Distribution of SHGs on the basis of frequency of collection of thrift funds	115
Table 5.3.C:	Distribution of SHGs on the basis of members' contribution per month	116
Table 5.3.D:	Distribution of SHGs on the basis of amount of savings as on 31.03.06	117
Table 5.3.E:	Distribution of SHGs on the basis of amount of interloan per member	118
Table 5.3.F:	Distribution of SHGs on the basis of proportion of inter loan as a % of Group Corpus	118
Table 5.3.G:	Distribution of SHGs on the basis of frequency of interloaning	120
Table 5.3.H:	Distribution of group members on the basis of purpose of interloan	121
Table 5.3.I:	Distribution of SHGs on the basis of rate of interest on interloan	122
Table 5.3.J:	Distribution of SHGs on the basis of repayment period	124
Table 5.3.K:	Association between the vintage of groups and amount of group corpus	125
Table 5.3.L:	Association between the volume of group corpus and amount of interloan	126
Table 5.3.M:	Association between the amount of group corpus and rate of interest on interloan	127
Table 5.4.A:	Distribution of SHGs on the basis of frequency of group meeting held	129
Table 5.4.B:	Distribution of SHGs on the basis of attendance of members in their group meeting	130
Table 5.4.C:	Distribution of SHGs on the basis of maintenance of resolution book	131
Table 5.4.D:	Distribution of SHGs on the basis of persons responsible for documentation	132
Table 5.4.E:	Distribution of SHGs on the basis of different agenda of meeting	133

Table 5.6.A:	Blockwise infrastructure facilities to provide marketing support for SHG products	139
Table 5.6.B:	Perception of SHGs about marketing channels	140
Table 6.10.A:	SHGs linked to different banks in Jalpaiguri district as on 31.12.2006.	154
Table 6.10.B:	Yearwise SHGs formed with different banks in Jalpaiguri upto 31-3-2007 (cumulative figure)	155
Table 6.10.C	Bank wise financial progress under SGSY in Jalpaiguri district upto 31.12.2006	157
Table 6.10.D:	Bank wise trend of cash credit under SGSY in Jalpaiguri district	158
Table 6.10.E:	Yearwise revolving fund released by the different banks in Jalpaiguri district (cumulative figure)	159
Table 6.10.F:	Bank wise performance of 2 nd grading and schematic lending as upto 31.12.2006	160
Table 6.10.G:	Bank wise trend of subsidy under SGSY in Jalpaiguri district	161
Table 6.11.A:	Activities of bank personnel (N=32)	163
Table 6.11.B:	Frequency of Group Visit	163
Table 6.11.C:	Perception of bankers regarding SGSY scheme (N=32)	164
Table 6.11.D:	Problem faced by bank officials (N=32)	166
Table 6.11.E:	Training received by the bank official (N=32)	168
Table 7.5.A:	Yearwise percentage of BOP attended members out of total members in Jalpaiguri district	180
Table 7.5.B:	Categories of trainees who attended BOP in different years	182
Table 7.5.C:	Block wise details of training (BOP) of Swarozgaries under SGSY in Jalpaiguri district in different years	183
Table 7.5.D:	Blockwise distribution of trained members in Jalpaiguri	184
Table 7.5.E:	Trade wise Skill Development Training imparted in Jalpaiguri district	186
Table 7.5.F	Groups trained by different types of trainers in Jalpaiguri district	189
Table 7.5.G:	Yearwise distribution of number of trainee and amount of available fund.	190
Table 7.5.H:	Yearwise distribution of number of trained member and total number of SHGs.	191
Table 7.5.I:	Vintage wise distribution of number of SKDT attended members and total members.	191
Table 7.5.J:	Impact of training under SGSY in Jalpaiguri district (Mean Scores)	193
Table 7.5.K:	Status of IGA in respect of trained SHG members in Jalpaiguri district	196
Table 7.5.L:	Blockwise status of IGA in respect of trained SHG members in Jalpaiguri district	197

Table 8.4.A:	Vintage of sample NGOs in the Jalpaiguri district	206
Table 8.4.B:	Yearwise total number of group formed by all NGOs in Jalpaiguri district	207
Table 8.4.C:	Types of economic activities promoted by the NGOs in Jalpaiguri district	209
Table 8.4.D:	Yearwise distribution of 1 st graded SHG assisted by all NGOs in Jalpaiguri district	210
Table 8.4.E:	Distribution of NGOs on the basis of Frequency of group visit	211
Table 8.4.F:	Frequency of bank visits by the supervisor of sample NGOs	212
Table 8.5.A:	Perception of NGO towards the SGSY in Jalpaiguri district	214
Table 8.6.A:	Co-operation from the different stakeholder of SGSY with the NGOs	215
Table 9.4.A:	Distribution of SHG on the basis of regularity of work	237
Table 9.4.B:	Distribution of SHG on the basis of average annual income of the group	239
Table 9.4.C:	Blockwise distribution of SHGs on the basis of actual income earned by the members in Jalpaiguri district	241
Table 9.4.D:	Percentage distribution of members in different blocks by access to loan	243
Table 9.4.E:	Percentage distribution of members on the basis of perception about improvement in economic status	245
Table 9.4.F:	Change in value of assets in post SHG period of different block in Jalpaiguri	247
Table 9.4.G:	Percentage distribution of members according to perceived increase in prestige at home	250
Table 9.4.H:	Percentage distribution of members according to perceived increase in prestige in community	252
Table 9.4.I:	Percentage distribution of members according to perceived increase in roles in decision making at home	255
Table 9.4.J:	Percentage distribution of members according to perceived increase in roles in decision making in the community	256
Table 9.4.K:	Percentage distribution of members according perceived increase in overall self-reliance	258
Table 9.4.L:	Percentage distribution of members according to perceived increase in self-reliance in household	260
Table 9.4.M:	Percentage distribution of members according to perceived increase in level confidence due to SHGs	261
Table 9.4.N:	Percentage distribution of members according to perceived increase in quality of living due to SHGs	263
Table 9.4.O:	Percentage distribution of members according to perceived increase in self-reliance through the participation in cultural activities in the community	264
Table 9.4.P:	Mean score for the Indices of Economic and Social benefits	266
Table 9.4.Q:	Analysis about the freedom of beneficiaries from the moneylenders	270
