

## *Acknowledgement*

*I would like to take this privilege of offering my sincere gratitude and deep appreciation to my esteemed teacher and supervisor, Dr. Sudip Barat, Reader, Department of Zoology, University of North Bengal, for his dynamic guidance, valuable suggestions, unlimited co-operation and untiring efforts during the entire course of my investigation. I have really benefited from his scholarly and perceptive comments and his arts of judging merits and demerits of the work done without which this thesis would not have seen the light of the day.*

*I am sincerely grateful to Vice Chancellor of North Bengal University, Registrar of North Bengal University, Dean, Faculty of Science of North Bengal University, former and present Heads of the Department of Zoology of North Bengal University, for extending to me all necessary facilities throughout the course of my research work.*

*I take the pleasure of expressing my sincere regards and gratitude to all of my teachers of the Department of Zoology, North Bengal University.*

*I sincerely acknowledge Prof. A.K.Chakravarty, Prof. B. C. Pal, Prof. D. C. Deb, Dr. A. Mukhopadhyay Dr. J. Pal, Dr. T. K. Chaudhuri of the Department of Zoology, North Bengal University, for their valuable suggestions, which have helped me in my research work. Prof. Deb's suggestion for selecting the Title of the thesis is gratefully acknowledged.*

*I must mention here my deep gratitude to my teachers of Undergraduate and Postgraduate course, Prof. B. B. Jana, Prof. S. K. Konar, Dr. S. N. Kundu, Dr. C. K. Manna and Dr. A. R. Khuda Bukhsh, of Department of Zoology, University of Kalyani, for their constant encouragement and counseling whenever I needed.*

*I should like to express my sincere gratitude to Director, National Institute of Cholera and Enteric Diseases, Kolkata, for allowing me to avail myself of the necessary instrumentation in the Department of Microbiology in my hour of need.*

*Grateful acknowledgement are made to Indian Institute of Chemical Biology, Kolkata, Institute of Health and Hygiene, Kolkata, Bose Institute, Kolkata, Chittaranjan National Cancer Research Institute, Kolkata,, National Institute of Cholera and Enteric Diseases, Kolkata, Indian Institute of Chemical Technology, Hyderabad, Central Inland Capture Fisheries Research Institute, Barrackpore, Central Institute of Fisheries Education, Mumbai, University of Kalyani providing permission to use the vast library facilities.*

*I express here, my sincere thanks to my research colleagues in my laboratory, Mr. Prithwiraj Jha and Surojit Majumder who kindly extended their help whenever I needed.*

*I am highly grateful to my relations especially Dr. Ashoke Basu and Dr. Mala Basu, Mr. Manas Sinha and Mrs. Kakali Sinha for their affection and encouragement. I am also beholden to them, as they were always ready to share my sorrow, agony, anxiety and excitement.*

*The sustained support and unstinted appreciation by all of my friends and well wishers, Mr. Jayanta Biswas, Lecturer, Krishnanagar Govt. College. Mr. Debopriya Mukhopadhyya ( Indian Statistical Institute ), Mr. Monojit Debnath ( North Bengal University ), Dr. Seema Sengupta ( Banerjee ), Head, Department of Zoology, Ranaghat College, Dr. Tarun Kundu (Ranaghat College), Dr. Pradip Dasgupta ( Ranaghat College ) is sincerely acknowledged.*

*My heart respect should go to Mr. Saktipada Basu and Mrs. Amita Basu (Siliguri), my father in- law and mother in-law for their immeasurable encouragement and affection. I also express my love to Subhrajyoti Mitra, Abhishek Basu and Anirban Basu for their constant encouragement.*

*Lastly, I am expressing my love and deepest gratitude to my parents (Sri N. C. Dhar and Smt. Chabi Rani Dhar) and love to my wife (Dr. Kakali Mitra Dhar) who has supported me with their love, advice, encouragement and patience all along without which my long cherished dream would not translate into a reality.*
