

Acknowledgements

I would like to express my deep-felt gratitude and indebtedness to my supervisor Dr. Abhaya Prasad Das, Professor (Retired), Department of Botany, North Bengal University, Siliguri and presently the Adjunct Professor in the Department of Botany, Rajiv Gandhi University (Central), Rono Hills, Arunachal Pradesh for his sincere guidance, gracious attention and invaluable suggestions during the whole tenure of my research work.

I am highly grateful and indebted to my co-supervisor Dr. Subir Bera, Professor & Program Coordinator Centre of Advanced Studies (Phase VII), Department of Botany, University of Calcutta, Kolkata for his constant support and unfeigned guidance.

I owe my sincere thanks to all the Head of the Department during the tenure of my work and also to all the faculty members of the Department of Botany, University of North Bengal, Siliguri, namely Professor (Dr.) Aniruddha Saha, Professor (Dr.) Arnab Sen, Professor (Dr.) Subhash Chandra Roy, Dr. Manoranjan Chowdhury (Associate Professor), Dr. Jnan Bikash Bhandari (Associate Professor), Dr. Palash Mandal (Assistant Professor), Dr. Piyush Mathur (Assistant Professor) and Swarnendy Roy (Assistant Professor), for providing me necessary laboratory and other facilities, advices and encouragements to carry out my research work.

I wish to express my sincere gratitude to Dr. Monoranjan Chowdhury, Associate Professor, for granting me permission to continue my research work in his Taxonomy of Angiosperms and Biosystematics Laboratory, Department of Botany, University of North Bengal and also to other lab members including Dr. Payel Paul and Dr. Sujit Mondal.

I owe my gratitude to Dr. Tapan Chakraborty of Geological Studies Unit, Indian Statistical Institute, Kolkata for his advises and assistance.

I owe my debt of thanks to all my co-researchers of Taxonomy & Environmental Biology Laboratory, University of North Bengal, including Dr. Sonam Rinchen Lepcha, Dr. Dibakar Chowdhury, Dr. Rajiv Biswas, Dr. Gautam Saha, Dr. Narpati Sharma, Dr. Animesh Sarkar, Dr. Saurav Moktan, Dr. Anurag Chowdhury, Dr. Kishor Biswas and Mr. Amalesh Bijali. I also thankfully remember Dr. Chandra Ghosh, former scholar of this laboratory and at present Associate Professor in the Department of Tea Science, University of North Bengal for her various assistance and advices.

I am indebted to all my fellow researchers and senior members of Palaeobotany and Palynology laboratory, University of Calcutta including Dr. Ashalata D'Rozario, Dr. Dipak Kumar Paruya, Dr. Ruby Ghosh, Dr. Mahasin Ali Khan, Dr. Madhab Naskar, Dr. Sandip More, Mr. Ahinsuk Barua, Ms. Anwasha Biswas, Mr. Biswajit Mukherjee, Mr. Binod

Saradar, Mr. Dulal Chandra Patra, Ms. Oindrila Biswas, Ms. Shreyasi Basak, Ms. Meghma Bera, Ms. Ranita Biswas and Ms. Manjuree Karmakar.

I am also grateful to many Forest Department officials, Govt. of West Bengal, including Ms. Sumita Ghatak, Conservator of Forest, Mr. Bidyut Sarkar, Conservator of Forest, Mr. Arun Mukherji, Divisional Forest Officer and Mr. Tarun Kumar Mishra, Range Officer for assisting me in various ways during my field-works.

My thanks are also due to all the staff-members of the NBU-Garden of Medicinal Plants, University of North Bengal and to all the non-teaching staff-members of the Department of Botany, University of North Bengal for their sincere assistance and co-operation.

I am sincerely grateful to Mr. Protyush Sengupta of Centre for Research in Nanoscience and Nanotechnology, University of Calcutta and Mr. Kashinath Sahu of IISER, Kolkata for their support to carry out the SEM procedure.

Mrs. Ruby Das, wife of Prof. A.P. Das is thankfully remembered for her homely treatment and encouragement whenever I met or visited her.

Last but not the least, I don't have enough words to thank my Dadu, Dida, Chhordi, Bordi, Parents, family and friends for their constant support.

Baishakhi Sarkar
