

ACKNOWLEDGEMENT

The author would like to express his profound indebtedness to Dr. Suman Sao for her unfailing guidance. Without her support and assistance this work would not have seen the light of day. Likewise, The Director, Central Silk Board, Malda, staff members of different offices visited by the author to collect data, farmers, reelers, grainers, twistors, people working in powerloom industries, Malda richly deserve the author's heartfelt gratitude for the knowledge and experience they so willingly shared. The Head of the Department of Geography and Applied Geography, NBU also deserves a special mention for his invaluable support. Last but not the least, Sultana Parveen, the author's wife, merits a special mention for inspiring and supporting the author during the long years of arduous labour that went into the publication of this thesis.
