Ref. No.....

Dated..... 15-11-1992.....

This is to certify that Mr. Subhendu Bhusan Modak, M.Sc., B.Ed. worked under my supervision since 1st January, 1987 for his dissertation on the topic "Plant Physiological investigation on production of steroid drug yielding Solanum viarum Dunal available in North Bengal" for the Doctor of Philosophy (Science) of the University of North Bengal.

He is conversant with the technique and literature cited in the dissertation and carried out the work thoroughly. It seems that the thesis is fit for submission for Ph.D. and he is worthy for award of the degree.
