

## Preface

The study of 'Exotic Images of Early Medieval Bengal:

I am responsible myself for all the errors, which might have crept inspite of my alertness. It is a pleasure for me to acknowledge the kindness of my teachers, various persons and friends from whose help and advise I have benefited.

I have no words to express my most profound feelings of gratefulness to Prof. Pranab Kumar Bhattachariya, Department of History, North Bengal University, my supervisor, who allowed me the greatest latitude in respect of views, but insisted upon precise expression and careful suggestion to collect the documents. My thesis would not be completed if he did not spare his valuable time with me.

I am grateful to Dr. I. Sarkar, Head of the Department of History, North Bengal University, Prof. Tapas K. Roy Choudhury, Prof. Mihir Mohan Mukhopadhyay, Prof. Mandira Bhattachariya, Dr. Ratna Roy Sanyal, Dr. Ananda Gopal Ghosh, Dr. Anita Bagchi and all my teachers of the department of History, North Bengal University for their suggestions and encouragement. To Prof. Mandira Bhattachariya and Fazlur Rahaman. I am particularly grateful for their help. They were initially supposed to supervise my work but could not do it as they left the University.

I am also grateful to the authority in general of the Central Library, North Bengal University (Rammohunpur), Seminar Library (Department of History) North Bengal University, which provided me necessary document for my dissertation.

My thanks are due to my classmates and friends for their friendly cooperation and encouragement to collect the materials and to complete my thesis paper. I am particularly thankful to my friend Sumona Sinha who generously helped me to collect material for my work.
