

ACKNOWLEDGEMENTS

This is a moment of great pleasure to express my deepest sense of gratitude to my supervisors, Dr P.K. Sarkar and Dr G.R. Patil, Senior Scientist, National Dairy Research Institute, Karnal presently Head of the Department of Animal Husbandry and Dairying, Marathwada Agricultural University, Parbhani for their benevolent attitudes, constructive criticisms, unstinted encouragement, valuable guidance and generous help throughout the investigation and in the preparation of this Thesis.

I wish to extend my sincere thanks to Prof. K.B. Dutta, Former Director, Centre for Life Sciences, University of North Bengal for granting me necessary permission in carrying out this work and also to Dr A.P. Das, Reader and Head of the Department of Botany, University of North Bengal for constant encouragement and support.

I owe my solemn regards to Dr A. Patel, Dr B.N. Mathur and Dr S. Singh of the National Dairy Research Institute for their concrete suggestions, valuable advice and untiring technical help during the entire course of investigation.

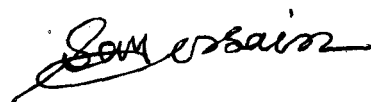

I am ever grateful to Dr P.K. Pal -- a friend and philosopher to me for his crucial role in the product development, constant co-operation and encouragement. I thankfully acknowledge the help that I obtained from my co-fellows Dr J.P. Tamang, Dr B.K. Saha, Ms S. Banarjee and Ms G. Das of the University of North Bengal and Dr K.J. Rao of the National Dairy Research Institute. I extend my hearty thanks to Mr R.N. Pradhan, Dr D.K. Basu, Dr R. Basak, Mr P. Dasgupta, Mr A. Sarkar, Mr D. Sherpa, Mr S. Baisya, Mr B.K. Bhattacharya and Mr B. Mukherjee who always extended me moral support and help.

I express my heartfelt appreciation to Mr R. Mutsuddi and Mr S. Chopra, Former Chief Executive Officers, the Himalayan Co-operative Milk Producer's Union Limited, Darjeeling for granting me necessary permission and encouragement in carrying out this investigation.

I acknowledge the efforts undertaken by Mr S. N. Mehar in helping me in computer analysis and PROSOFT PUBLICATIONS, Siliguri for typing.

Words are not suffice to express my gratitude to my mother, mother-in-law and uncles who enthusiastically encouraged me and supported me during the course of the present study. Finally I am extremely grateful to my wife Pervin for extending moral support and encouragement at all times during this period and above all to my daughters Saelina and Taniya who with their charming smile made this strenuous effort a great deal easy.
