

LIST OF FIGURES

| | | Page. No. |
|-------------|---|-----------|
| Figure - 1 | Map of sites of Mature Harappan period | 8 |
| Figure - 2 | Harappan and Late Harappan sites in India (map) : | 9 |
| Figure - 3 | Early Harappan period sites of the Hakra river coast (map): | 10 |
| Figure - 4 | Basic numerical forms on the Indus seals: | 77 |
| Figure - 5 | Illustration of the numerical values derived by Subbarayappa: | 77 |
| Figure - 6 | The ten most frequent consonants in frequency: | 81 |
| Figure - 7 | Some Harappan symbols: | 87 |
| Figure - 8 | Sumerian symbols: | 87 |
| Figure - 9 | Painted symbol on an earthen pot from cemetery 'H': | 87 |
| Figure - 10 | Chart showing numerals | 88 |
| Figure - 11 | Inscriptions of Late Levels Harappa and Mohenjo-daro: | 96 |
| Figure - 12 | Inscription of Late Levels, Lothal: | 97 |
| Figure - 13 | Inscriptions of Late Levels, Dholavira, Rakhi-shahpur, Kalibangan: | 98 |
| Figure - 14 | Inscriptions of Late Levels, Chanhudaro, Ropar, Alamgirpur, Prabhaspatan: | 99 |
| Figure - 15 | Inscription with pictures: | 100 |
| Figure - 16 | Inscriptions with cursive signs only: | 101 |
| Figure - 17 | Short strokes are added to the basic signs: | 111 |
| Figure - 18 | The compound signs formed by joining two different basic signs : | 112 |

| | | |
|-------------|--|-----|
| Figure - 19 | Late Harappan and Aśhokan Brāhmi Script : | 112 |
| Figure - 20 | Analysis of the compound signs in which short strokes are being added: | 113 |
| Figure - 21 | Basic cursive signs of Indus Script identified by S. R. Rao : | 114 |
| Figure - 22 | Comparison of the signs of Semitic, early Harappan and Late Harappan : | 115 |
| Figure - 23 | The same basic sign is doubled to form a compound sign : | 116 |
| Figure - 24 | Short strokes are added to the doubled sign : | 116 |
| Figure - 25 | Analysis of the compound signs formed by joining three different basic signs of the Indus Script, one of which being doubled : | 117 |
| Figure - 26 | Analysis of the compound signs formed by combination of the sign, ' √ ' with different independent signs of the Indus Script : | 121 |
| Figure - 27 | Analysis of the compound signs formed by combination with the sign, ' U ' : | 121 |
| Figure - 28 | Analysis of the compound signs formed by combination with the sign, ' 𑀓 ' : | 122 |
| Figure - 29 | Analysis of the compound signs formed by combination with the sign, ' 𑀔 ' : | 123 |
| Figure - 30 | Analysis of the compound signs formed by combination with the sign, ' E ' : | 124 |

| | | |
|-------------|---|-----|
| Figure - 31 | Analysis of the compound sign formed by combination with the sign, '  ' : | 125 |
| Figure - 32 | Analysis of the compound signs formed by combination with the sign, '  ' : | 126 |
| Figure - 33 | Analysis of the compound signs formed by combination with the sign, '  ' : | 127 |
| Figure - 34 | Analysis of the compound signs formed by combination with the sign, '  ' : | 128 |
| Figure - 35 | Analysis of the compound signs formed by combination with the sign, '  ' : | 128 |
| Figure - 36 | Analysis of the compound sign formed by combination with the sign, '  ' : | 128 |
| Figure - 37 | Analysis of the compound sign formed by combination with the sign, '  ' : | 129 |
| Figure - 38 | Analysis of the compound sign formed by combination with the sign, '  ' : | 129 |
| Figure - 39 | Analysis of the compound signs formed by combination with the sign, '  ' : | 130 |
| Figure - 40 | Analysis of the compound sign formed by combination with the sign, '  ' : | 130 |

| | | |
|-------------|--|-----|
| Figure - 41 | Analysis of the compound sign formed by combination with the sign, '  ' : | 131 |
| Figure - 42 | Inscription : Numerals with cursive and pictures : | 136 |
| Figure - 43 | Phonetic value given to basic cursive signs of Indus Script identified as such by Rao : | 141 |
| Figure - 44 | Comparative study of the Semitic, Harappan and Late Harappan signs (S. R. Rao) : | 142 |
| Figure - 45 | Reading of some inscriptions no.1-9: | 147 |
| Figure - 46 | Reading of some inscriptions no.10-18: | 148 |
| Figure - 47 | Reading of some inscriptions no.19-26: | 149 |
| Figure - 48 | Comparison of the signs of Late Harappan, Bet Dwarkā and Asokan Brāhmi : | 157 |
