This is to certify that Mr. Amal Kumar Chakraborty, M.Sc. worked in my laboratory since March, 1978 for his dissertation on the topic - " Immunobiology of Chiroptera : Lymphoid Organs and Immune Responses in Pteropus giganteus " for fulfilment of the requirements of the Degree of Doctor of Philosophy (Science) of the University of North Bengal.

He is conversant with the techniques and literature cited in the dissertation and carried out the work thoroughly. It seems that the thesis is fit for submission for Ph.D. and he is worthy for award of the degree.
