

## ACKNOWLEDGEMENT

I wish to express my deep gratitude and indebtedness to my respected supervisor, Dr. Debes Chandra Deb, Reader and Head, Department of Zoology, University of North Bengal for his constant guidance, supervision and invaluable advice throughout this study and in preparing this thesis. I am grateful to the Head of the Department of Zoology, University of North Bengal for extending necessary facilities to work in the Department. Grateful appreciations are also extended to the Member Secretary, Central Silk Board, Bangalore and the Director, Central Tasar Research and Training Institute, Ranchi for granting me leave to carry out this research work.

I am much indebted to Dr. Anathbandhu Chaudhuri, Senior Research Assistant, Central Sericultural Research and Training Institute, Berhampore, West Bengal who inspired me with his active cooperation, candid suggestions and immense help in this study since the beginning.

I extend my hearty thanks to Dr. A. Mukhopadhyay and other teachers of the Department of Zoology, University of North Bengal for their help and advice from time to time. Thanks are also due to Mr. S. Das, S. Dey, S. S. Singha, all Research Fellows for their occasional help.

The patience, sacrifice and encouragement of my wife, Smritikana Sinha have made this work possible.
