Chapter 1 Introduction	1-35
1.1 Introduction	1
1.2 Review of Literature	3
1.3 Women's Involvement in Agriculture	14
1.4 Objectives	19
1.5 Hypothesis	19
1.6 Methodology	19
1.6.1 Locale of Research	20
1.6.2 Sampling Design	20
1.6.3 Pilot Study	22
1.6.4 Variable and their Measurements	22
1.6.5 Method of Data Collection	27
1.6.6 Statistical Tools to be Used	27
1.7 Scope and Impact of the Study	29
1.8 Conclusion	30
Chapter 2 Geo-Environmental Setting of the Koch Bihar District	36-58
2.1 Introduction	36
2.2 Location and Regional Setting	36
2.3 Physical Setup	38
2.3.1 Geology	38
2.3.2 Relief	38
2.3.3 Climate	39
2.3.3.1 Temperature	39
2.3.3.2 Rainfall	40
2.3.4 Drainage	41
2.3.5 Soil	43
2.3.6 Natural Vegetation	44
2.3.7 Groundwater	44

2.4	Social, Cultural and Economic Setup	45
2.4.1	Demographic Characteristics	45
2.4.1.1	Literacy	45
2.4.1.2	Religion wise Distribution of Population	46
2.4.1.3	Caste wise Distribution of Population	46
2.4.1.4	Occupation Structure	47
2.4.2	Land Use	50
2.4.2.1	Agriculture	51
2.4.2.2	Agricultural Allied Sectors (Cattle Rearing)	51
2.4.3	Agricultural Technologies	52
2.4.3.1	Irrigation	52
2.4.3.2	Fertilizer	53
2.4.3.3	Power	54
2.4.3.4	Transport & Communication	54
2.4.3.5	Credit Facilities	54
2.5	Conclusion	55
Chapter 3	Socio-Economic Condition of Women in the Study Area	59-87
3.1	Introduction	59
3.2	Socio economic characteristics based on Composite Score Method	59
3.2.1	Demographic Indicators	60
3.2.2	Infrastructural Indicators	61
3.2.3	Economic Indicators	63
3.2.4	Overall Socio-Economic Condition	65
3.2.5	Correlation among Major Developmental Variables	67
3.3	Socio Economic Status of Women Workers in Koch Bihar District	68
3.4	Socio Economic Status of Women Respondents of Koch Bihar District	72
3.4	Conclusion	82
Chapter 4	Women's Participation in Agriculture and Allied Sectors	88-123
4.1	Introduction	88
4.2	Women - as a Human Resource	88

4.3	Role of Women	89
4.4	Trend and Pattern of Crude Female Work Participation of Koch Bihar District	90
4.5	Block Wise Crude Female Work Participation Rate in Rural Koch Bihar District (2001 and 2011)	90
4.6	Gender Gap	93
4.7	Work Participation of Women by Caste	94
4.8	Distribution of Female Workers (Main & Marginal) by Work Status	96
4.9	Distribution of Female Workers (Main & Marginal) by Different Categories	97
4.10	Female Literacy and Female Work Participation in Koch Bihar	99
4.11	Relationship between Female Literacy and Occupational Structure in Koch Bihar District	104
4.12	Participation of Farm Women in Agricultural and Allied Activities	105
4.12.1	Participation of Farm Women in Farm Activities	106
4.12.2	Participation of Farm Women in Livestock Activities	109
4.12.3	Participation of Farm Women in Domestic Activities	110
4.12.4	Calculation of Activity-Involvement Index (AII) and Activity Involvement Score (AI Score) of Farm Women Respondents	111
4.12.5	Agricultural Knowledge & Awareness Test of Farm Women	113
4.12.6	Time Utilization Pattern of Farm Women	115
4.12.7	Gender Inequity in Wages	116
4.13	Conclusion	119
Chapter 5	Involvement of Farm Women in Decision Making Process in Agriculture and Allied Sectors	124-181
5.1	Introduction	124
5.2	Factors Affecting in Decision Making process in Agriculture	124
5.3	Methodology of Study	125

5.4	Observations of Decision Making by Farm Women in Koch Bihar District	125
5.4.1	Point Score Scale Analysis	126
5.4.1.1	Risk Preference of Farm Women	126
5.4.1.2	Scientific Orientation of Farm Women	129
5.4.1.3	Economic Motivation of Farm Women	131
5.4.1.4	Independence Scale of Farm Women	133
5.4.1.5	Management Orientation of Farm Women	135
5.4.1.6	Attitude of Farm Women towards Agriculture	140
5.4.1.7	Attitude of Farm Women towards Animal Rearing & Poultry	144
5.4.2	Case Study	148
5.4.2.1	Activity-Involvement Index (AII)	150
5.4.2.2	Decision-Involvement Index (DII)	154
5.4.2.3	Overall-Involvement Index (OII)	157
5.5	Involvement of Farm Women in Decision Making Process	159
5.5.1	Involvement in Decision Making of Farm Women in Agricultural Activities	160
5.5.2	Involvement in Decision Making of Farm Women in Family Matters	161
5.5.3	Involvement in Decision Making of Farm Women in Economic Aspects	161
5.5.4	Calculation of Decision-Involvement Index (DII) and Overall-Involvement Index (OII) of Farm Women Respondents	162
5.6	Attributes Associated with Women's Involvement in Agriculture and Decision-Making Processes	164
5.7	Association of Farm Women's Involvement in Agricultural Activity with their Socio-Economic Attributes	168
5.8	Association of Farm Women's Involvement in Decision Making Related to Agricultural and Allied Activities with their Socio-Economic Attributes	173
5.9	Conclusion	176
Chapter 6	Problems Faced by Farm Women in the Study Area	182-201

6.1	Introduction	182
6.2	Health Problems and Occupational Health Hazards of Farm Women	182
6.2.1	Drudgery in Agriculture	182
6.2.1.1	Transplanting or Planting	183
6.2.1.2	Threshing	184
6.2.1.3	Weeding	184
6.2.1.4	Cutting	185
6.2.1.5	Carrying	185
6.2.2	Identify the Problems of Farm Women in Agriculture with the Help of RBQ Method	185
6.2.3	Contact with Chemicals	188
6.2.4	Climatic Vagaries	189
6.2.5	Poor Healthcare Facilities	190
6.2.6	Malnutrition	190
6.3	Socio-Economic and Technological Problems Faced by Farm Women	191
6.3.1	Gender Disparity and Mental Harassment	191
6.3.2	Gender Gap in Wages of Farm Women	192
6.3.3	Occupational Stress and Overwork	192
6.3.4	Low Satisfaction in Family Life and Lack of Family Support	193
6.3.5	Decision Making Power of Farm Women	193
6.3.6	Powerlessness	194
6.3.7	Lack of Social Security	195
6.3.8	Lack of or Inadequate Education	195
6.3.9	Lack of Leisure Time and Recreation	195
6.3.10	Operational Holdings	196
6.3.11	Lack of Agricultural Extension System	196
6.3.12	Modernization and Technological Development in Agriculture	196
6.4	Remedial Measures	196
6.5	Conclusion	198

7 Summary and Conclusion	202-220
7.1 Introduction	202
7.2 Farm Women and Agriculture with Allied Agricultural Activities	202
7.3 Farm Women and Domestic Duties	204
7.4 Decision-Making Processes	204
7.5 Farm Women and Decision-Making Processes in Agriculture and Allied Fields	205
7.6 Farm Women and Decision-Making Processes in Family Matters and Economic Aspects	205
7.7 Major Findings	207
7.8 Recommendations	214
7.9 Conclusion	217
Bibliography	221-236
Annexure-I	237-241
Annexure-II	242-250
