

ACKNOWLEDGEMENT

I express my deep gratitude to my supervisor Prof. Surendra Gopal for his wisdom and generosity in encouraging me to go my own way and for his scholarly and appropriate suggestions at every step of this work.

I must also thank Prof. Vimal Prasad and Prof. D.N. Jha who were kind enough to give valuable comments which clarified many vital issues involved in the study.

Finally, my thanks are also due to my friends Sanjay Prasad, Sangeeta Singh and Naresh Bhokta for their moral support and keen interest in the study.

I feel indebted to my typists Mr. J.K. BOSE and Mr. A.K. SRIVASTAVA, who took all the pains in giving it the present shape. Dr. R.S. Singh and Mr Suresh Chandra Srivastava so expertly drew the maps.
