

Acknowledgements

I take this opportunity to express my heartfelt gratitude to my supervisor, Prof. S.K. Saha, Department of Chemistry, North Bengal University for his wise guidance and incessant encouragement throughout the entire period of work.

I am especially thankful to Dr. S.L. Dutta, former Development Officer, North Bengal University for his good gesture and helpful co-operation.

I would like to extend my thanks to the University Grant Commission, New Delhi, for fellowship support and appreciate the authorities of North Bengal University for extending laboratory facilities.

I must thank the Director, Central Drug Research Institute, Lucknow for elemental analysis of copolymer samples.

The cooperation and help from the teachers, officers, research scholars and other staff members of the Department of Chemistry, North Bengal University is thankfully acknowledged.

I am also thankful to Dr. S.K. Das, A. Chakraborty, Dr. G. Bit, M. Jha, M Ali and S. Bardhan of this laboratory for their good gesture and generous help.

Finally, I express my regards to my parents for their blessings and thank to other family members for their inspiration and support.
