

A C K N O W L E D G E M E N T.

I whole heartedly acknowledge my indebtedness to Prof. S. N. Sen, Senior Professor & Head of the Department of Physics, University of North Bengal for guidance. His active interest and constructive criticisms have guided me many a time to investigate new lines.

Thanks are due to the University of North Bengal for providing me with all laboratory and library facilities. Also I express my thanks to the University Grants Commission for award of a Junior Research Fellowship.

Lastly I express my sincere thanks to the technical staff of the Physics Department, University of North Bengal for helping me to design and constructing different equipments used for the present investigation and also to Mr. S. Choudhury for typing the thesis.
