

Acknowledgement

It is really a privilege to express my deep sense of gratitude to my supervisor Dr. Kantilal Das, Reader in Philosophy, Department of philosophy, University of North Bengal for his inspiration, valuable suggestions and guidance for completing this thesis within the stipulated period. In spite of his own academic engagements, he spares his valuable time in going through my entire thesis and giving me valuable suggestions from time to time in completing my thesis. I therefore humbly express my indebtedness to him.

I also express my heartiest gratitude to the teachers of the Department of Philosophy, North Bengal University, for their valuable suggestions while defending my synopsis in the pre-submission seminar in the Department of Philosophy. I am also grateful to them for their loving attitudes and encouragements in every aspect in completing this thesis.

I am equally grateful to the staff members of the Department of Philosophy, staff members of the registrar branch and the staff members of the central library for their whole hearted cooperation in every aspect in completing and submitting this thesis.

I also express my humble submission to my parents, my wife and my little daughter "Sampriti" for their silent sacrifice and constant mental support in completing this thesis. I am thankful to all of them.

Finally I also express my thanks to my friends and others as well who have directly or indirectly associated in submitting this thesis.
