

ACKNOWLEDGEMENT

I place on record my sincere thanks and gratitude to my supervisor, Dr. S. Rohatgi, Reader, Department of Geography and Applied Geography, North Bengal University for her valuable guidance, motivation and for her keen interest evinced in the subject matters of the study by encouraging me in every aspect of the study which boosted my moral to complete the study in time. Without her friend consultation, valuable support, constructive criticism and cordial assistance, this study could not have been come to light. I am so grateful to her for scholarly guidance.

I profusely thank to all honourable teachers of Geography Department, North Bengal University, India for providing me the opportunity to work. I am grateful to them.

I remember with thanks to my well wisher Prof. B. Bhattacharya (Retired), Department of Geography and Applied Geography, University of North Bengal for his valuable support for my research purpose I am grateful to him.

My thanks also due, to all staff and employees of Geography Department, North Bengal University, India for their cordial assistance for the concerned work.

I am grateful to Dr. Kader Safily Abdul, Department of Political Science, Tufanganj College, Dr. Dilip Dey, Librarian, Tufanganj College, Dr. Abhijit Saha, Satyajit Saha, Scientist 'A', NIC (Gangtok), Mr. Yasir Amed, Fellow of Remote Sensing Department, North Bengal University, Mr. Anirban Saha for their inspiration and technical suggestion for completing the study. I am grateful to them for their selfless help.

I also would like to thank to the Authorities and all staffs of Central Library of North Bengal University, District National Library, Raj Rajendra Narayan Library, Tufanganj for their cordial co-operation and necessary help.

I take the opportunity to thank the Authorities of different Municipalities, District Magistrate Office, N.B.S.T.C, Public Bus Syndicate, Telecom Departments, Head Post Office, Koch Bihar, District Industrial Centre, Koch Bihar, D.M.O., District Primary and Secondary education, State nationalized and Co-operative Banks, National Informatics Centre, Koch Bihar, District Welfare Centre, Koch Bihar, the shop and establishment department, the

tourism office etc. for the necessary help and data collection for this purpose. I am grateful to them.

I must place on record the inspiration and blessing of my mother, Bijaya Saha and maternal uncle Dipak Banerjee who inspired me first to last and showed their keen interest to see this work in the present form.

I am grateful to my father in law Mr. Gopinath Saha and mother in law Mrs. Saraswati Saha who encourage me to finish the work.

I thank with emotion to my life partner Mrs. Anuradha Saha who inspired me and her sincere co-operation played moral support in this regard. Without her inspiration first to last as a friend, I could never come in research work. I am grateful to her. I also express emotion to my only lovely and sweet daughter, Binita Saha (Guria) for her sacrifice of quality personal time and encouragement for completing the study.

I also thank Mr. Abhiram Barman, my former student for his sincere and efficient computer typing, data computing, picture drawing, assistance and his encouragement throughout the study. I am grateful to him.

Finally I wish to extend my sincere thank to my students and well-wishers for their kind assistance in collecting field data.
