

## Acknowledgements

To start with put into words gratefulness to the All Mighty God, who are existed in the form of utmost energy in every spirit and inspiring each one within for the welfare of the earth. I would like to express my thankfulness to Dr. Deepak Kumar Mandal, Associate Professor, Department of Geography and Applied Geography, University of North Bengal for conferring me the chance to study the Rayeng Basin under his supervision. He had provided continuous direction, proposition, and advice for this study. As well, I would like to extend my appreciation to Prof. Subir Sarkar, Department of Geography and Applied Geography, University of North Bengal for providing precious suggestion to search for appropriate way of understanding the concerned study. I am indebted to my father Shri Debesh Chandra Saha, mother late Smt. Binapani Saha, father in-law Shri Tapan Kundu; mother in-law Smt. Suniti Kundu, devoid of whose never-ending blesses my study might not be successful. I would like to convey my special credit to my wife Sampa Saha (Kundu) for her endurance and assistance to make the study successful. I have acquired continuous encouragement from my all family members for research works, I furthermore endow with thanks to all of them. I am obliged to my teachers like Shri Sudipta Jha, Prof. Arabinda Mukherjee, Prof. Aninda Kr. Paul, Prof. Pranab Kumar Chakravarti, Prof. Montu Mohan Jana, Dr. Sushma Rohatgi, Dr. Suman Sao, Dr. Sumanta Chattaraj and Dr. Ranjan Ray for direct or indirect motivation for research work in the field of Geomorphology. Not slightest the many associates and colleagues who have provided hold up and encouragement throughout its preparation like Shri Somenath Halder, Dr. Tapanchand, Dr Sachindra Nath Bala, Smt. Bijoya Mishra and companions like Somasish Sengupta, Dr. Swadesh Paul, Shri Asit Paul, Tanmoy kundu, Shri Tarun Das, Chinmoy Roy, Swapan Mondal and Rupak Kumar Paul. I would also like to extend a special thanks to the all persons. Special mention must go to Dr. Sudip Bhattacharyya for giving topographical maps of the study area. I am as well indebted to Irrigation Department of Siliguri Subdivision, Geological Survey of India, Gangtak and other institutions for proving valuable secondary information concerning the study area. There are a number of students whom I would like to thank for their contribution to prepare this thesis. I would like to pray to the God for infinite blesses to them.
