

ACKNOWLEDGEMENT

The author expresses his deepest gratitude to his supervisor, Dr. Willie Henry, Associate Professor, Post Graduate Department of Zoology, Darjeeling Government College, Darjeeling for his encouragement and assistance throughout the duration of this research.

Special thanks extended to Dr. Peter H. Adler, Professor, Department of Entomology, Soils & Plant Sciences, Clemson University, Clemson, USA and Dr. William S. Procnier, Nipissing University, North Bay, Ontario, Canada for their unending help, who offered himself to be the advisor to this thesis and guidance throughout the pursuit of this research without which it would have been impossible to complete the work.

Thanks are also extended to Dr. Hiroyuki Takaoka, Professor, Department of Infectious Disease Control, Faculty of Medicine, Oita University, Hasama, Japan for identification of specimens and guidance throughout the present research.

Big thanks also due to Mr. Rakesh Varma (Rakesh Sir) for lending his unending help and expertise throughout this research work, Mrs. Esther Henry for encouragement, all my friends, and all staff members of Post Graduate Department of Zoology, Darjeeling Government College.

I am deeply indebted to the Principal/Officer-in –Charge, Dr. Prajjwal Lama for provided me all the necessary infrastructure facilities.

My thanks are also due to the Head, Department of Zoology, University of North Bengal, Raja Rammohunpur, Darjeeling.

Thanks are also to Professor S. Barat, Department of Zoology, University of North Bengal, for his technical assistance in arranging my thesis.

I lay my special appreciation to my dad, Shri Raj Thapa and my mom, Smt. Menuka Thapa for their patience, belief and support.

My very special thanks and appreciation to my wife Mrs. Shailika Thapa (Chhetri) for always being besides me through times of adversity, for encouragement and belief.

Thank are also due to University Grants Commission from providing me the financial support with which a portion of the thesis work has been done, with reference no. 38-45/2009 dated-06/12/2009.

Sachin Thapa
