

A C K N O W L E D G E M E N T

The author is highly grateful to Dr. S. Acharyya, Reader, Department of Physics, University College, Raiganj for his kind guidance, supervision and help towards the development of the works presented in the thesis entitled "THE ROLE OF COLUMN CALIBRATION FACTORS IN THERMAL DIFFUSION COLUMN".

He is particularly indebted to Dr. T.K. Chattopadhyay, the Registrar, University of North Bengal for his kind and constant encouragement in this work.

The author also expresses his thanks to all of the Physics Department of the University of North Bengal and the University College, Raiganj who are directly connected with the works presented in this thesis. He again takes the opportunity to express his gratitude to Mr. Manoj Chakraborty for typing the manuscript and Mr. Bhupesh Bagchi for drawing the figures. Finally, the author feels pleasure to acknowledge the considerable help of his student Sri Arindam Mukherjee for reading the manuscript.
