

A C K N O W L E D G E M E N T

I like to express my deepest sense of gratitude and indebtedness to Dr. Jagadish Chandra Debnath, Professor, Department of Economics, Faculty of Arts, University of North Bengal, for selecting the problem and for his guidance, inspiration and constant supervision during the course of investigation and preparation of the manuscript of the present study. Without his sincere guidance, this work could not have assumed its present shape.

I am very much respectful to Dr. Manas Das Gupta, Professor, Department of Economics, Faculty of Arts, University of North Bengal. Prof. Das Gupta rendered his invaluable time for me since the very beginning of this study.

I am grateful to Prof. P.C. Sarkar, Dr. H.K. Chakravorty, Dr. C. Mukherjee, Sri J.Sankrityayana, Dr. P. Chakravorty, Dr. I. Ghosh, Smt. S. Mukherjee, Smt. S. Roy — the teachers in the Department of Economics, University of North Bengal for their valuable suggestions and co-operation. Thanks are also due to Sri S. Sarkar as well as other office staff, research scholars and students of the Department for rendering sincere services, whenever needed.

I express my grateful feelings to Dr. R.L. Sarkar, Head of the Department of Economics, St. Joseph College, Darjeeling

(III)

for extending his help at the time of field investigation and literature collection. I like to present my gratefulness to Dr. J. Goswami, Reader, Tufanganj Mahavidyalaya for his suggestions at the time of writing the manuscript. I am indebted to Sri D.K. Das, teacher, K.G.T. Mahavidyalaya, Bagdogra, Darjeeling for his active co-operation at the time of final typing of the manuscript.

I am indebted and grateful to Mr. J.B. Madhu, District Statistical Officer, Darjeeling District, Mr. J. Samaddar, Research Officer, Department of veterinary and Animal Husbandry, Darjeeling District and to all other concerned who have actively co-operated with me in furnishing relevant data and allowing me to consult those for the present study.

I am grateful to the authorities of the University of North Bengal for the award of research scholarship which enabled me to undertake the present study. Services rendered by the members of the staff of the Library, University of North Bengal, are also recorded with thanks.

I would also like to put on record that invaluable inspiration and encouragement from Sri D.Kundu, my brother-in-law and Smt. B. Kundu, my elder sister helped me to remain lively and overcome all the hazards in course of this work painlessly.

Finally, I express my sincere thanks to Sri M.Chakravorty for the excellent typing of the thesis.

Chaya Rani Paul.
