To whom it may concern

This is to certify that the thesis entitled: '*The Concept of Metaphor in Indian Philosophy: A Critical Study*' written by Sm. Saswati Chakraborty for the award of the PhD degree in Philosophy of this University is the result of her sincere and critical study on the concept of Metaphor in Indian Philosophy with special reference to Indian Poetics. As the thesis bears the mark of originality and critical thinking and it or a part of it has not been submitted for the PhD degree or any other degree of this University or in any other University, I recommend its submission for the PhD degree of the University of North Bengal. So far as I know Sm. Chakraborty is academically quite worthy of this degree. I sincerely wish her best of luck in this connection.
