

Acknowledgement

I have much pleasure in expressing my deepest sense of gratitude to my supervisor Dr. Dipanwita Saha, Assistant Professor, Department of Biotechnology, University of North Bengal, for her untiring guidance, inspiration and valuable suggestions throughout the execution of this work. I never forget the numerous and passionate hours of discussion on and beyond my study topics with her. I sincerely cannot express in words, my gratefulness to her tremendous support and encouragement throughout the course of this research work.

I would like to thank my co-supervisor Dr. Aniruddha Saha, Associate Professor, Department of Botany, University of North Bengal for his inspiration, encouragement and guidance. I am grateful for his constructive suggestions which immensely helped me to sail through my academic endeavour successfully.

I am also indebted to Dr. Ranadhir Chakraborty, (Head), Dr. Shilpi Ghosh and Dr. Anoop Kumar of Department of Biotechnology, University of North Bengal for their valuable advice and encouragement throughout the course of my work.

I would like to express my deep sense of gratitude to the staff of Electron microscopy Laboratory, IARI, New Delhi for their help in ultrastructural studies.

I would like to express my deep sense of gratitude to the staff of Atomic absorption spectroscopy Laboratory, Bose Institute, Kolkata for their help in metal analysis.

I also like to express my deep sense of gratitude to District Executive Officer, Paschim Banga Go-Sampad Bikash Sanstha, Siliguri for providing Liquid Nitrogen.

I am also thankful to Mr. Rajiv Subba and the authority of Gayaganga tea estate for supplying tea seeds. Thanks are also due to the authorities of different tea gardens of Darjeeling, Jalpaiguri, Coachbehar and Uttar Dinajpur districts of West Bengal and Assam for their informations.

I express my thanks to my colleagues Ms. G. Dhar Purkayastha, Dr. A. Ghosh, Mr. R. Kumar, Mr. R. Dey Sarkar, Dr. S. Mukherjee, Dr. S. Bhowal, Dr.

A. Kumar, Mr. K.K. Singh of the Department of Biotechnology, University of North Bengal for their support.

I am also thankful to Dr. B. Saha, Dr. S. Dasgupta, Mr. P. Chakraborty, Dr. P. Mandal, Dr. S. Ghosh, Dr. H. K. Barman, Dr. C. Choudhuri, Dr. L. Das, Dr. M. Isha, Dr. S. Sen, Mr. H. Mandal, Mr. A. Saha, Mr. S. Das, Dr. S.K. Yadav and Mr. J. Choudhuri of the Department of Botany, University of North Bengal for their support.

I express my heartfelt gratitude and respect to my beloved parents Mr. Mantosh Mandal and Mrs. Bina Mandal for their endless support, encouragement and inspiration without which this work could not be completed. Thanks are also due to my elder sister, Mrs. Rinku Biswas and elder brother Mr. Mriganka Mandal for their help and encouragement. I am also grateful to my father-in-law, Mr. Baidyanath Maji and mother-in-law, Mrs. Champa Maji for their support and encouragement. Thanks are also due to my other family members Mr. Nishir Biswas, Mrs. Simul Mandal, Mrs. Kalpana Maji and Mrs. Rekha Paul for their support and encouragement.

Special thanks are due to my husband Mr. Barun Maji for his continuous support, inspiration, encouragement and help throughout the execution of the work.

Lastly, I want to thank the University Grants Commission, New Delhi, for financial assistance through Rajiv Gandhi National Fellowship for SC/ST [Award letter No. F. 14-2 (SC)/2008(SA-III)] to complete the work.
