

Acknowledgement

I am very much thankful to my respected teacher and research guide Prof. Pranab Ghosh, Department of Chemistry, University of North Bengal, who believed that I have some potency to carry out my research work under his guidance and who has taken care of my frustrations and always makes me optimistic from my college life.

I wish to acknowledge Prof. S. K. Saha, Prof. B. Basu, Prof. M. N. Roy, Dr. A. K. Nanda, Dr. A. Mishra and other faculty members of Department of Chemistry, University of North Bengal for their valuable suggestions in my need.

I wish to thank my fellow lab mates with whom I enjoyed many unforgettable moments, for their cordial co-operation. I wish to thank other research scholars and non-teaching staffs of this department for their help whenever I asked them.

I will not forget some of my friends and colleagues who encouraged me when I give up. I am very grateful to my former Mathematics teacher, Sri Swapan Ghosh who always believes me and inspires me a lot.

I am thankful to CSIR, New Delhi for financial support, IOCL, Dhakuria for supplying the base oils and University of North Bengal for infrastructural facilities to carry out my research work.

Finally, I am very much thankful to my beloved parents, for whom whatever I am today. I wish to express my gratitude to my Grandfather, Sri Biswanath Das, Grandmother, Smt. Mina Das, my Uncles, Aunts, Brothers, and Sisters for their encouragement.

Moreover, I have always found my husband, Sri Sayan Ghosh beside me as a friend who motivates me in my lows. I pay my regard to him as he is the reason of laughter and also sorrows of my life. I can't ignore the support which I get from my open

mindful father-in-law and mother-in-law and other members of my family during my studies for which I will always be grateful to them.

Last but not the least I am very grateful to the God who gives me strength, the things I deserve and answers my prayers.
