

CERTIFICATE

This is to certify that the thesis entitled "***Impact of habitat disturbances on bird and butterfly communities along the Yuksam-Dzongri trail in Khanchendzonga Biosphere Reserve***" is a bonafied piece of original research work carried out by Mr. Nakul Chettri during the period 1996 to 1999 under our supervision.

Mr. Chettri has fulfilled all the criteria for submitting his thesis. In habits and character he is a fit and proper person for the Ph.D. degree of the University of North Bengal. We forward and recommend the thesis for submission to the University of North Bengal.
