

## ACKNOWLEDGEMENT

I would like to put on record my gratefulness to my supervisors, Dr. Pabitrakumar Roy and Dr. Chandidas Bhattacharya both of the Department of Philosophy at the University of North Bengal, for their kindness and courtesy. They have perused through the entire corpus of my work.

I should thank the authorities of my college for granting me Special Study Leave of fourteen months w.e.f. 1<sup>st</sup> July, 1997 to 31<sup>st</sup> August, 1998 in order that I might pursue my research.

I also acknowledge my indebtedness to my teacher Prof. Dikshit Gupta, Department of Philosophy, University of Calcutta. On several occasions I got to have involved in discussions with him on my topic.

The members, of the staff of the Department of Philosophy, and of the Grantha Bhavan, at the University of North Bengal have been very kind and helpful. I thank them very sincerely.

My parents, and my two sisters, Zia and Asra, and my wife, Akila, and my two dear sons, Arif and Alidai have borne my absence from them with patience. I mention them since I owe something to them at the personal level.

Last, but not the least, I have to thank Mr. Subhasis Kundu for his careful computerised printing of my research manuscript.
