

## *Acknowledgements*

*At the outset I would like to acknowledge my deep sense of gratitude to my honorable supervisor, Dr. M. N. Roy, Head of the Department of Chemistry, North Bengal University. This study is the outcome of his constant inspiration and encouragement, precious guidance and constructive criticism. I am indebted to him for the meticulous guidance, loving care, and priceless supervision which I received from him throughout my research period.*

*I also express my sincere gratitude to Prof. S. K. Saha, Department of Chemistry, University of North Bengal and Dr S. L. Dutta, Development officer, N.B.U who extended wholehearted co-operation throughout my research work*

*I must record my indebtedness to Prof. Arun Saha, Dean, Faculty of Agricultural Technology UBKV, who inspired me constantly in my research work.*

*The co-operation from the entire teaching, non-teaching and laboratory staff of the Department of Chemistry, NBU, are also thankfully acknowledged.*

*I am grateful to the University authority for providing laboratory and library facilities. The assistance of Scientific Instrumentation Centre, University of North Bengal and Dhar Brothers, Kolkata, for computer typing & formatting is thankfully acknowledged.*

*I am also greatly indebted to UGC (Govt. of India) for offering me a teacher fellowship [F.5-7/2003(NER/TF/2177)] under FIP and sanctioning financial assistance for continuing the present research.*

*I keenly express my sincere thanks to my research colleagues, Dr. Ankan Choudhury, Mr. Biswajit Sinha, Dr. Bhoj Bahadur Gurung, Dr. Anuradha Sinha, Mr. Vikas Kr. Daku, for their valuable help and support during the course of my research work.*

*I must also be thankful to Mr. P. K. Kundu and family for their hospitality and generosity they offered during my research programme.*

*Words are insufficient to express my thanks to my husband, Dr G. K. Saha for his support and inspirations during my research period.*

*Lastly, I convey my regards to my caring parents Mr. Mahendra Chandra Das and Mrs. Maya Das for their continued inspiration and priceless blessings.*
